Board Policy

Naming Of Facility

BP 7310

Facilities

The naming or renaming of schools shall be the prerogative of the Board of Education.

The Board encourages community participation in the process of selecting names. Any such request(s) should come to the Superintendent who will inform the Board of the request(s) and the goal of the request(s). The Board may decide not to grant permission to proceed with a request to name or rename a school.

If the Board determines to grant permission to proceed with a request to name or rename a school, the Board shall determine the type of committee to consider appropriate names for schools. The Board may choose to:

Option 1) Appoint an ad hoc naming committee. The ad hoc naming committee shall be appointed by the Board. Each member will appoint one ad hoc committee member.

Option 2) Direct the Superintendent to form a Superintendent naming committee. The Superintendent will appoint a representative membership to the committee.

The Superintendent/designee shall submit recommendations from any naming committee, along with background and rationale, for the Board's consideration.

Naming or Renaming of Schools

The following criteria shall guide the committee in its consideration of names:

1. Schools may be named using geographic or other descriptive locations.
2. Schools may be named after deceased individuals who have made outstanding contributions to the global, national, state or local community.
3. Schools may be named after historical entities.

In consideration of the contributions of deceased individuals, the committee and Board shall weigh the impact of the contributions over an extended period of time from the past to the present and into the future and the degree to which name shall have ongoing meaning to the school community.

Any name adopted for any new school shall not be so similar to the name of any existing district

school as to result in confusion to members of the community.

~~The final recommendation along with background and rationale shall be presented to the Board along with other names considered.~~

When naming or renaming a district school, building, or facility, the Board may specify the duration for which the name shall be in effect.

Naming or Renaming Major Buildings and Major Facilities, Including Fields

The naming or renaming of major buildings and major facilities, including fields, shall be the prerogative of the Board. Any such requests shall be forwarded to the Superintendent. The Board encourages community participation in the process of selecting names.

g. Names associated with tobacco or alcohol will not be considered.

h. A match between the program or use of the facility and the proposed name should be considered.

4. ~~Proposals and Recommendations from the committee shall be reviewed by the school principal, with the recommendation(s) given to the superintendent or his/her designee.~~

5. Naming or renaming proposals recommendations shall be presented to the Board by the Superintendent or his/her designee for a final decision.

If a donor chooses to gift the school district with a substantial contribution or a building or program at a school, the Board may consider recognizing the contribution by naming the building or facility after the benefactor, or referring the matter to the appropriate committee.

When naming or renaming a district school, building, or facility, the Board may specify the duration for which the name shall be in effect.

Other Naming Procedures

The naming or renaming of major buildings and major facilities, including fields, shall be the prerogative of the Board. Any such requests shall be forwarded to the Superintendent. The Board encourages community participation in the process of selecting names.

1. Naming of smaller projects, including fundraising efforts (e.g., walkway pavers, tile walls), not covered by this policy will be facilitated in coordination with the district's administrative facilities planning process but does not necessarily require committee review. Individuals or organizations who wish to raise funds for a project must first contact the Superintendent who will inform the Board of the intended fundraising campaign. The Board must ~~receive Board approval~~ provide approval prior to attaching naming opportunities to the fundraising campaign.

2. The naming of joint-use projects may include special consideration of the partner agency(ies).

~~3. If a donor chooses to gift the school district with a substantial contribution or a building or program at a school, the Board may consider recognizing the contribution by naming the building or facility after the benefactor.~~

| 43. The district prohibits any message, image, or other depiction that advocates or endorses the use of drugs, tobacco, or alcohol, encourages unlawful discrimination against any person or group, or promotes the use of violence or the violation of any law or district policy.

| 5.4. The Board reserves the authority to terminate the naming right if it determines that the grantee, subsequent to receiving the naming right, has engaged in any of the prohibited acts stated in item #3 above or other criminal or unlawful acts that might bring the district into disrepute.
