11/12th Grade ELD Standards Part II: How English Works (Emerging)

2. Understanding cohesion; a) Apply knowledge of familiar language resources for referring to make texts more cohesive (e.g., using pronouns or synonyms to refer back to characters or concepts introduced earlier) to comprehending and writing brief texts. b) Apply knowledge of familiar language resources for linking ideas, events, or reasons throughout a text (e.g., using connecting/transition words and phrases, such as first, second, finally) to comprehending and writing brief texts.
3. Using verbs and verb phrases; Use a variety of verbs in different tenses (e.g., past, present, future) and aspects (e.g., simple, progressive) appropriate for the text type and discipline to create short texts on familiar academic topics.
4. Using nouns and noun phrases; Expand noun phrases to create increasingly detailed sentences (e.g., adding adjectives for precision) about personal and familiar academic topics.
5. Modifying to add details; Expand sentences with simple adverbials (e.g., adverbs, adverb phrases, prepositional phrases) to provide details (e.g., time, manner, place, cause) about familiar activities or processes.
6. Connecting ideas; Combine clauses in a few basic ways (e.g., creating compound sentences using and, but, so; creating complex sentences using because) to make connections between and join ideas (e.g., I want to read this book because it tells the history of Pi.).
7. Condensing ideas; Condense ideas in a few basic ways (e.g., by compounding verb or prepositional phrases) to create precise and detailed simple, compound, and complex sentences (e.g., The students asked survey questions and recorded the responses.).
