0 Vote Check (needs to be zero)

2 Moving to Next Round
Down From 5 under prior process

In the second round of voting, each Board member will mark two of the remaining candidates **or unused**. The results will be again announced. Those candidates receiving **less than 2 votes** will be eliminated. If only one person receives three votes in round two, that person will be the Board's appointee. (In the case there are fewer than three candidates in the first round, this voting process will be skipped and will move to next round.)

Board Candidate Voting Process July 2020

With August 2018 Data Example

Round 3	July Board Candidate		
Board Member:			
Adams			
DiNunzio			
Fernandes		1	
Poppenga	1		
Count	1	1	-

In the subsequent round of voting, each Board Member has one vote to cast. If a Board Member has more than one vote, the extra votes are **unused**. If one person receives three votes or more, the election is over.

Those candidates receiving no votes will be eliminated. The election continues until one candidate receives three votes or more or until it is decided by a majority vote.
