

**HEALTHY
DAVIS
TOGETHER**

HDT-DJUSD PARTNERSHIP

FEB 18, 2021

Healthy Davis Together is a joint project between the City of Davis and UC Davis with a goal to prevent the spread of COVID-19 and facilitate a coordinated and gradual return to regular city activities and reintegration of UC Davis students back into the Davis community.

PROGRAM OVERVIEW

HDT is organized into strategic initiatives, called Approaches, that fall under two key themes and are supported by 5 enabling Core areas

THEMES		APPROACHES*		TARGET BENEFICIARIES
Epidemiology <i>Identify and support those affected by COVID-19, map the trajectory of the epidemic, and apply targeted population interventions</i>		Screening and Diagnostic Testing		<ul style="list-style-type: none">• City of Davis population• Congregate residents• Health care providers/organizations• UC Davis students and employees• Daycare, preschool, and K-12 schools• Businesses and employees• Unions and worker associations• City and county government• Faith-based organizations• Service organizations• Community organizations
		Contact Tracing		
		Quarantine and Isolation		
		Exposure Notification		
		Epidemic Modeling and Forecasting		
		Environmental Monitoring		
		PPE Procurement & Distribution		
		Influenza Vaccination		
SARS-CoV-2 Vaccination				
Health Behavior Change <i>Inspire community to engage in health-promoting behaviors that contain COVID-19</i>		Health Education		
		Mass Communications		
		Incentives		
CORES				
The 5 Core areas provide Approaches with wraparound support				
Informatics	Innovation and Technology	Administrative, Legal, and Regulatory	Enabling Environment	Knowledge Sharing

HDT'S IMPACT TO DATE

HDT has already made a tremendous impact on UCD's campus and within the Davis community

Our key accomplishments include:

- ✓ Delivered **233,000 tests** to 50k unique individuals throughout Davis
- ✓ Collected **335 environmental samples** to detect infection in the environment
- ✓ Supplied **99,000+ masks** to Davis residents and students / faculty on campus
- ✓ Distributed **\$25,000+ in incentives** over two weeks to encourage safe behaviors
- ✓ Consistently sustain a **lower positivity rate** than Yolo County and the state of CA

HDT PROPOSED SUPPORT AREAS

HDT has the opportunity to support DJUSD in standing up five key initiatives to accelerate reopening

**TESTING &
SCREENING**

**ENVIRONMENTAL
MONITORING**

**SYMPTOM
MONITORING**

**CONTACT
TRACING**

**VACCINE
COORDINATION**

HDT PROPOSED SUPPORT AREAS

HDT has the opportunity to support DJUSD in standing up five key initiatives to accelerate reopening

TESTING & SCREENING

- School-based, saliva-PCR testing,
- Other testing modalities as appropriate

ENVIRONMENTAL MONITORING

- Wastewater autosampling
- Air filter sampling
- Surface sampling

SYMPTOM MONITORING

- Policies and procedures for symptom monitoring
- Physical screening

CONTACT TRACING

- School acquired contact tracing process
- CalConnect Open K-12 Portal

VACCINE COORDINATION

- Facilitating vaccine discussions
- Developing scalable delivery program
