Notification of Intent to Fund

Teacher Residency Grant No. TR 32

Year 1 Grant Award Amount: \$700,000.00

Dear Matt Best:

The Commission on Teacher Credentialing (Commission) is pleased to notify you that your application for grant award pursuant to the *Request for Proposals Teacher Residency Grant* has been approved for **funding of an initial cohort of residents for the 2019-2020 school year**. You will be expected to implement this grant in accordance with the narrative, related activities, and timeframe described in your grant application.

The funding for Teacher Residency Grants is provided for a cohort of residents for the 2019-2020 school year, and is **potentially renewable** for additional cohorts in subsequent years contingent upon availability of state funding and adequate yearly progress in program implementation. The grant funds are intended to cover expenses incurred for this program as described in your approved grant application. The grant funds must be administered and expended in accordance with all provisions of state and local laws, regulations, and policies relating to the administration, use and accounting for public school funds, including, but not limited to, the Education Code of the State of California.

As a recipient of Teacher Residency state grant funding, you agree to abide by all of the applicable provisions of the authorizing legislation *Section 39: Article 16 Teacher Recruitment, Retention, and Support* (attached Appendix A: Authorizing Legislation). The Commission would like to highlight the responsibility of the grantee with respect to ensuring that residents who are assisted by these grant funds understand and fulfill their statutory obligations. These obligations, as stated in the authorizing legislation, include but are not limited to (a) ensuring that residents sign an agreement with the LEA committing to work, upon receipt of the preliminary credential, in the grantee LEA for a period of four years, and (b) tracking each program participant over time to ensure the fulfillment of this obligation. The grantee will also be responsible for reporting to the Commission in the event a resident assisted by this grant program fails to earn a preliminary credential or meet the commitment to teaching, so that the Commission can confirm with the grantee the amount to be recovered from the resident. Grantees will also be responsible for accounting for and reporting on both the grant funds expenditures and the matching funds expenditures by teacher resident assisted by this grant program, as indicated in the approved budgets. Confirmation

that residency program has begun operation and names of Year 1 residency cohort members being served by the grantee's teacher residency program **will be due in October 2019.**

If you accept this grant award and agree to abide by the grant award conditions as indicated by this letter and reiterated in the attached Grant Award Terms and Conditions document, please review the Grant Award Certificate (GAC) and return three (3) copies with original signatures **as soon as possible** to the address provided on the attached GAC form. In addition, please also fill out and submit to contracts@ctc.ca.gov the attached W-9 form or the STD 204 form, as applicable to your institution type. Please note that the Commission cannot release funds to your agency without having the appropriate W-9 or STD 204 form on file. If you have any questions, please email contracts@ctc.ca.gov.

In order to be eligible for potential renewal of grant funding after 2019-2020, the grantee will be expected to make appropriate yearly progress in implementing the residency model, resulting in an increase of teacher residents recruited and served by the program according to the operational plan provided in the funded application. Applicants should note that as a further condition of receipt of this grant, the LEA grantee must agree to report outcome data as specified in the RFP, including but not limited to: the total financial support provided to each participating teacher resident from grant funding and from match/in kind funding; effectiveness in recruiting and retaining special education, bilingual education, and STEM teachers as applicable to the funded program design; teacher retention rates for program graduates; and best practices and lessons learned.

Funds will be distributed in two payments. The first payment will be 90 percent (90%) of the annual budget amount, and 10 percent (10%) of the annual budget will be held back, pending receipt of the required data report. The project period for the funds allocated for this grant is up to four years, from 2019 through June 30, 2023.

We look forward to working with you on this important effort to promote recruit and retain teachers. Your efforts will help provide additional qualified teachers for California public schools to address the teacher shortage.

Yours truly,
