DON'T MISS OUT – REGISTER EARLY!

Registration is now open. Students are strongly encouraged to register early as our most popular classes often fill up before classes start. For your convenience, on-line registration is always available.

Admission Requirements: Persons 18 years of age or older may enroll in adult education classes. Current high school students can enroll ONLY if the parent enrolls and attends the class with them, with the exception of the SAT Preparation course. Concurrent students who need credit for high school graduation must schedule an appointment with their school counselor and the adult education principal.

First Class: Registrants will be contacted only if the course has been cancelled. Please attend the first class unless you have been contacted by DACE staff.

Textbooks: Please attend the first class to receive textbook and materials information. Textbooks for some foreign language classes are available for purchase in the office.

Senior Discount: Persons 65 years of age or older receive a 10% discount on tuition for Community Interest Classes, with the exception of classes that use district computer labs or sewing machines. Seniors must register in-person at the DACE office. There is no senior discount for state-approved class tuition or for materials fees.

Class Cancellation: Any class can be cancelled or shortened if there are not approximately 15 tuition-paying students registered prior to the first class. If a class is cancelled, students who have enrolled will be notified either prior to or at the time of the first class and tuition payments will be refunded in full.

For information on civil rights compliance and uniform complaint procedures please ask at the DACE office or go to our website at <http://dace.djUSD.net>.

Please provide feedback by completing a course evaluation or emailing us at das@djUSD.net.

*A **certified nursing assistant** (CNA), also known as a nurse aide, takes care of patients' basic needs, including bathing and feeding, and provides support to other medical professionals. With an aging population and increased patient care requirements, Nursing Assistants are in high demand, with far more job openings than employees to fill them. The CNA program combines over 60 hours of classroom instruction and over 100 hours of clinical practice exceeds state licensing requirements and prepares students for the state certification exam. Call our office today to be put on our interest list for the next cohort at (530) 757-5380.*
