(d) Interest. The Bonds shall bear interest at an interest rate not to exceed 6.00% per annum, payable on the Interest Dates in each year computed on the basis of a 360-day year of twelve 30-day months. Each Bond shall bear interest from the Interest Date next preceding the date of authentication thereof, unless it is authenticated after the close of business on a Record Date and on or prior to the

succeeding Interest Date, in which event it shall bear interest from such Interest Date, or unless it is authenticated on or before the Record Date preceding the first Interest Date, in which event it shall bear interest from its dated date; provided, however, that if, at the time of authentication of any Bond, interest is in default on any outstanding Bond, such Bond shall bear interest from the Interest Date to which interest has previously been paid or made available for payment on the outstanding Bonds.

Section 6. Payment of Bonds.

(a) Request for Tax Levy. The money for the payment of principal, redemption premium, if any, and interest on the Bonds shall be raised by taxation upon all taxable property in the District and provision shall be made for the levy and collection of such taxes in the manner provided by law and for such payment out of the Interest and Sinking Fund of the District, held by the County. The tax levy may include an allowance for an annual reserve, established for the purpose of avoiding fluctuating tax levies. The Board of Supervisors and officers of the County are obligated by statute to provide for the levy and collection of property taxes in each year sufficient to pay all principal and interest coming due on the Bonds in such year, and to pay, or cause to be paid, from such taxes all amounts due on the Bonds. The District hereby requests the Board of Supervisors of the County to annually levy a tax upon all taxable property in the District sufficient to pay the principal, redemption premium, if any, and interest thereon as and when the same become due. The County shall transfer or cause to be transferred from the Interest and Sinking Fund to the Paying Agent, an amount, in immediately available funds, sufficient to pay all the principal of, premium, if any, and interest due on the Bonds.

In accordance with Education Code section 15232, the District hereby requests the Board of Supervisors of the County to include within the annual tax levy for the Bonds the fees and expenses payable to the Paying Agent.

The *ad valorem* tax revenues levied to pay the Bonds shall, when collected, be deposited into the Interest and Sinking Fund of the District. The foregoing Interest and Sinking Fund and *ad valorem* tax revenues are irrevocably pledged, and the District hereby grants a lien and security interest therein, for the payment of the principal, redemption premium, if any, and interest on the Bonds when and as the same fall due. The moneys in the Interest and Sinking Fund, to the extent necessary to pay the principal, redemption premium, if any, and interest on the Bonds as the same become due and payable, shall be transferred by the County or the District, as the case may be, to the Paying Agent, as paying agent for the Bonds, as necessary to pay the principal, redemption premium, if any, and interest on the Bonds. The property taxes and amounts held in the Interest and Sinking Fund of the District shall immediately be subject to this pledge, and the pledge shall constitute a lien and security interest which shall be effective, binding, and enforceable against the District, its successors, creditors and all others irrespective of whether those parties have notice of the pledge and without the need of any physical delivery, recordation, filing, or further act. The pledge is an agreement between the District and the Owners of the Bonds in addition to any statutory lien that may exist, and the Bonds are being issued to finance one or more projects and not to finance the general purposes of the District.

Additionally, in accordance with Section 15251(b) of the California Education Code and Section 53515(a) of the California Government Code, the Bonds shall be secured by a statutory lien on all revenues received pursuant to the levy and collection of the tax for the Bonds. The lien shall automatically attach without further action or authorization by the District or the County. The lien shall be valid and binding from the time the Bonds are executed and delivered. The revenues received pursuant to the levy and collection of the tax shall be immediately subject to the lien, and the lien shall automatically attach to the

revenues and be effective, binding, and enforceable against the District, its successors, transferees and creditors, and all others asserting rights therein, irrespective of whether those parties have notice of the lien and without the need for any physical delivery, recordation, filing, or further act.

(b) Principal. The principal of the Bonds shall be payable in lawful money of the United States of America to the Owners thereof, upon the surrender thereof at the principal corporate trust office of the Paying Agent.

(c) Interest; Record Date. The interest on the Bonds shall be payable on each Interest Date in lawful money of the United States of America to the Owner thereof as of the Record Date preceding such Interest Date, such interest to be paid by check or draft mailed on such Interest Date (if a business day, or on the next business day if the Interest Date does not fall on a business day) to such Owner at such Owner's address as it appears on the Registration Books or at such address as the Owner may have filed with the Paying Agent for that purpose; provided, however, that such payment may be made by wire transfer of immediately available funds to any Owner of at least \$1,000,000 of outstanding Bonds who shall have requested in writing such method of payment of interest prior to the close of business on the Record Date immediately preceding any Interest Date.

(d) Interest and Sinking Fund. Principal and interest due on the Bonds shall be paid from the Interest and Sinking Fund of the District as provided in Section 15250 of the Education Code.

(e) Obligation of the District. No part of any fund or account of the County is pledged or obligated to the payment of the Bonds. The obligation for repayment of the Bonds is the sole obligation of the District.

Section 7. Redemption Provisions.

(a) Optional Redemption. The Bonds may be subject to redemption, at the option of the District, on the dates and terms as shall be designated in the Bond Purchase Agreement. The Bond Purchase Agreement may provide that the Bonds shall not be subject to optional redemption, and may provide separate and distinct redemption provisions for the Bonds.

(b) Selection. If less than all of the Bonds are subject to such redemption and are called for redemption, such Bonds shall be redeemed in inverse order of maturities or as otherwise directed by the District (or as otherwise set forth in the Bond Purchase Agreement), and if less than all of the Bonds of any given maturity are called for redemption, the portions of such Bonds of a given maturity to be redeemed shall be determined by lot (or as otherwise set forth in the Bond Purchase Agreement).

(c) Mandatory Sinking Fund Redemption. The Bonds, if any, which are designated in the Bond Purchase Agreement as term bonds shall also be subject to redemption prior to their stated maturity dates, without a redemption premium, in part by lot (or as otherwise set forth in the Bond Purchase Agreement), from mandatory sinking fund payments in the amounts and in accordance with the terms to be specified in such Bond Purchase Agreement. Unless otherwise provided in the Bond Purchase Agreement, the principal amount of each mandatory sinking fund payment of any maturity shall be reduced proportionately (unless otherwise specified by the District) by the amount of any Bonds of that maturity redeemed in accordance with subsection (a) or (b) of this Section prior to the mandatory sinking fund payment date. The Bond Purchase Agreement may provide that the Bonds shall not be subject to mandatory sinking fund redemption. The Controller of the County is hereby authorized to create such

sinking funds or accounts for the term Bonds as shall be necessary to accomplish the purposes of this Section.

(d) Notice of Redemption. Notice of any redemption of the Bonds shall be mailed by the Paying Agent, postage prepaid, not less than 20 nor more than 60 days prior to the redemption date (i) by first class mail to the County and the respective Owners thereof at the addresses appearing on the Registration Books, and (ii) as may be further required in accordance with the Continuing Disclosure Certificate. Each notice of redemption shall state (i) the date of such notice; (ii) the name of the Bonds and the date of issue of the Bonds; (iii) the redemption date; (iv) the redemption price; (v) the dates of maturity or maturities of Bonds to be redeemed; (vi) in the case of Bonds redeemed in part only, the respective portions of the principal amount of the Bonds of each maturity to be redeemed; (vii) the CUSIP number, if any, of each Bond to be redeemed; (viii) a statement that such Bonds must be surrendered by the Owners at the principal corporate trust office of the Paying Agent, or at such other place or places designated by the Paying Agent; (ix) notice that further interest on such Bonds will not accrue after the designated redemption date; and (x) in the case of a conditional notice, that such notice is conditioned upon certain circumstances and the manner of rescinding such conditional notice. In the event of a private sale, the District may provide a notice of redemption directly to the Purchaser in any form satisfactory to the Purchaser.

(e) Effect of Notice. A certificate of the Paying Agent that notice of redemption has been given to Owners as herein provided shall be conclusive as against all parties. Neither the failure to receive the notice of redemption as provided in this Section, nor any defect in such notice shall affect the sufficiency of the proceedings for the redemption of the Bonds or the cessation of interest on the date fixed for redemption. When notice of redemption has been given substantially as provided for herein, and when the redemption price of the Bonds called for redemption is set aside for the purpose as described in subsection (h) of this Section, the Bonds designated for redemption shall become due and payable on the specified redemption date and interest shall cease to accrue thereon as of the redemption date, and upon presentation and surrender of such Bonds at the place specified in the notice of redemption, such Bonds shall be redeemed and paid at the redemption price thereof out of the money provided therefor. The Owners of such Bonds so called for redemption after such redemption date shall be entitled to payment thereof only from the Interest and Sinking Fund or the trust fund established for such purpose. All Bonds redeemed shall be cancelled forthwith by the Paying Agent and shall not be reissued.

(f) Right to Rescind Notice. The District may rescind any optional redemption and notice thereof for any reason on any date prior to the date fixed for redemption by causing written notice of the rescission to be given to the owners of the Bonds so called for redemption. Any optional redemption and notice thereof shall be rescinded if for any reason on the date fixed for redemption moneys are not available in the Interest and Sinking Fund or otherwise held in trust for such purpose in an amount sufficient to pay in full on said date the principal of, interest, and any premium due on the Bonds called for redemption.

Notice of rescission of redemption shall be given in the same manner in which notice of redemption was originally given. The actual receipt by the owner of any Bond of notice of such rescission shall not be a condition precedent to rescission, and failure to receive such notice or any defect in such notice shall not affect the validity of the rescission.

(g) Funds for Redemption. Prior to or on the redemption date of any Bonds there shall be available in the Interest and Sinking Fund of the District, or held in trust for such purpose as provided by law, monies for the purpose and sufficient to redeem, at the redemption prices as in this Resolution provided, the Bonds designated in the notice of redemption. Such monies shall be applied on or after the redemption date solely for payment of principal of, interest and premium, if any, on the Bonds to be redeemed upon presentation and surrender of such Bonds, provided that all monies in the Interest and Sinking Fund of the District shall be used for the purposes established and permitted by law. Any interest due on or prior to the redemption date shall be paid from the Interest and Sinking Fund of the District, unless otherwise provided to be paid from such monies held in trust. If, after all of the Bonds have been redeemed and cancelled or paid and cancelled, there are monies remaining in the Interest and Sinking Fund of the District or otherwise held in trust for the payment of redemption price of the Bonds, the monies shall be held in or returned or transferred to the Interest and Sinking Fund of the District for payment of any outstanding general obligation bonds of the District payable from such fund; provided, however, that if the monies are part of the proceeds of bonds of the District, the monies shall be transferred to the fund created for the payment of principal of and interest on such bonds. If no such bonds of the District are at such time outstanding, the monies shall be transferred to the general fund of the District as provided and permitted by law.

(h) Defeasance of Bonds. If at any time the District shall pay or cause to be paid or there shall otherwise be paid to the Owners of any or all of the outstanding Bonds all or any part of the principal, interest and premium, if any, on the Bonds at the times and in the manner provided herein and in the Bonds, or as provided in the following paragraph, or as otherwise provided by law consistent herewith, then such Owners shall cease to be entitled to the obligation of the District as provided in Section 6 hereof, and such obligation and all agreements and covenants of the District and of the County to such Owners hereunder and under the Bonds shall thereupon be satisfied and discharged and shall terminate; provided, however, that the provisions of subsection (i) of this Section shall apply in all events.

For purposes of this Section, the District may pay and discharge any or all of the Bonds by depositing in trust with the Paying Agent or an escrow agent, selected by the District, at or before maturity, money or non-callable direct obligations of the United States of America (including zero interest bearing State and Local Government Series) or other non-callable obligations the payment of the principal of and interest on which is guaranteed by a pledge of the full faith and credit of the United States of America, in an amount which will, together with the interest to accrue thereon and available monies then on deposit in the escrow account or the Interest and Sinking Fund of the District, as applicable, be fully sufficient to pay and discharge the indebtedness on such Bonds (including all principal, interest and redemption premiums) at or before their respective maturity dates.

(i) Unclaimed Monies. Any money held in any fund created pursuant to this Resolution, or by the Paying Agent or an escrow agent in trust, for the payment of the principal, redemption premium, if any, or interest on the Bonds and remaining unclaimed for two years after the principal of all of the Bonds has become due and payable (whether by maturity or upon prior redemption) shall be transferred to the Interest and Sinking Fund of the District for payment of any outstanding bonds of the District payable from the fund; or, if no such bonds of the District are at such time outstanding, the monies shall be transferred to the general fund of the District as provided and permitted by law.

Section 8. Paying Agent.

(a) Appointment, Payment of Fees and Expenses. This Board does hereby consent to and confirm the appointment of U.S. Bank National Association, to act as the initial paying agent for the Bonds. All fees and expenses of the paying agent shall be the sole responsibility of the District, and to the extent not paid from the proceeds of sale of the Bonds, or from the Interest and Sinking Fund of the District, insofar as permitted by law, including specifically by Section 15232 of the Education Code, such fees and expenses shall be paid by the District.

(b) Resignation, Removal and Replacement of Paying Agent. The Paying Agent initially appointed or any successor Paying Agent may resign from service as Paying Agent and may be removed at any time by the District as provided in the Paying Agent's service agreement. If at any time the Paying Agent shall resign or be removed, the Board shall appoint a successor Paying Agent, which shall be any bank, trust company, national banking association or other financial institution doing business in and having a corporate trust office in California, with at least \$50,000,000 in net assets.

(c) Merger of Paying Agent. In the event of the merger or consolidation of the Paying Agent, so long as the successor entity of such merger or consolidation meets the requirements of this Resolution for serving as Paying Agent, such successor entity may continue to serve as Paying Agent unless removed by the Board in accordance with paragraph (a) of this section.

(d) Principal Corporate Trust Office. The initial Paying Agent, and any successor Paying Agent, shall designate each place or places where it will conduct the functions of transfer, registration, exchange, payment, and surrender of the Bonds, and any reference herein to the "principal corporate trust office" of the Paying Agent shall mean the office so designated for a particular purpose. If no office is so designated for a particular purpose, such functions shall be conducted at the office of the Paying Agent, in San Francisco, California, or the principal corporate trust office of any successor Paying Agent.

(e) Registration Books. The Paying Agent shall keep or cause to be kept at its principal corporate trust office sufficient books for the registration and transfer of the Bonds, which shall at all times be open to inspection by the District and the County, and, upon presentation for such purpose, the Paying Agent shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred on the Registration Books, Bonds as provided in Sections 9 and 10 hereof. The Paying Agent shall keep accurate records of all funds administered by it and of all Bonds paid and discharged by it. Such records shall be provided, upon reasonable request, to the District in a format mutually agreeable to the Paying Agent and the District.

Section 9. Transfer Under Book-Entry System; Discontinuation of Book-Entry System.

(a) DTC as Depository. To the extent the Bonds are privately placed with a Purchaser, this Section 9 shall not be applicable, the Bonds shall not be issued in book-entry only form, and all terms of transfer (including transfer restrictions) for the Bonds shall be as set forth in the Bond Purchase Agreement. Unless otherwise specified in the Bond Purchase Agreement, DTC is hereby appointed depository for the Bonds and the Bonds shall be issued in book-entry form only, and shall be initially registered in the name of "Cede & Co.," as nominee of DTC. One bond certificate shall be issued for each maturity of the Bonds; provided, however, that if different CUSIP numbers are assigned to Bonds maturing in a single year or, if Bonds maturing in a single year are issued with different interest rates, additional bond certificates shall be prepared for each such maturity. Registered ownership of such Bonds of each such maturity, or any portion thereof, may not thereafter be transferred except as provided in this Section or Section 10 hereof:

(i) To any successor of DTC, or its nominee, or to any substitute depository designated pursuant to clause (ii) of this Section (a "substitute depository"); provided, however that any successor of DTC, as nominee of DTC or substitute depository, shall be qualified under any applicable laws to provide the services proposed to be provided by it;

(ii) To any substitute depository not objected to by the District, upon (1) the resignation of DTC or its successor (or any substitute depository or its successor) from its functions as depository, or (2) a determination by the District to substitute another depository for DTC (or its successor) because DTC or its successor (or any substitute depository or its successor) is no longer able to carry out its functions as depository; provided, that any such substitute depository shall be qualified under any applicable laws to provide the services proposed to be provided by it; or

(iii) To any person as provided below, upon (1) the resignation of DTC or its successor (or substitute depository or its successor) from its functions as depository; provided that no substitute depository which is not objected to by the District can be obtained, or (2) a determination by the District that it is in the best interests of the District to remove DTC or its successor (or any substitute depository or its successor) from its functions as depository.

(b) Transfer of Registered Ownership. In the case of any transfer pursuant to clause (i) or clause (ii) of subsection (a) of this Section, upon receipt of the outstanding Bonds by the Paying Agent, together with a written request of the District to the Paying Agent, a new Bond for each maturity shall be executed and delivered in the aggregate principal amount of such Bonds then outstanding), registered in the name of such successor or such substitute depository, or their nominees, as the case may be, all as specified in such written request of the District. In the case of any transfer pursuant to clause (iii) of subsection (a) of this Section, upon receipt of the outstanding Bonds by the Paying Agent together with a written request of the District to the Paying Agent, new Bonds shall be executed and delivered in such denominations, numbered in the manner determined by the Paying Agent, and registered in the names of such persons, as are requested in such written request of the District, subject to the limitations of Section 5 hereof and the receipt of such a written request of the District, and thereafter, the Bonds shall be transferred pursuant to the provisions set forth in Section 10 hereof provided, however, that the Paying Agent shall not be required to deliver such new Bonds within a period of less than 60 days after the receipt of any such written request of the District.

(c) Treatment as Owner. The District and the Paying Agent shall be entitled to treat the person in whose name any Bond is registered as the owner thereof, notwithstanding any notice to the contrary received by the District or the Paying Agent; and the District and the Paying Agent shall have no responsibility for transmitting payments to, communicating with, notifying, or otherwise dealing with any beneficial owners of the Bonds, and neither the District nor the Paying Agent shall have any responsibility or obligation, legal or otherwise, to the beneficial owners or to any other party, including DTC or its successor (or substitute depository or its successor), except for the Owner of any Bonds.

(d) Cooperation with Cede & Co. So long as the outstanding Bonds are registered in the name of Cede & Co. or its registered assigns, the District and the Paying Agent shall cooperate with Cede & Co., as sole registered Owner, or its registered assigns in effecting payment of the principal of and interest on the Bonds by arranging for payment in such manner that funds for such payments are properly identified and are made immediately available on the date they are due.

Section 10. Transfer and Exchange.

(a) Transfer. To the extent the Bonds are privately placed with a Purchaser, this Section 10 shall not be applicable, the Bonds shall not be issued in book-entry only form, and all terms of transfer (including transfer restrictions) and exchange for the Bonds shall be as set forth in the Bond Purchase Agreement. Following the termination or removal of DTC or successor depository pursuant to Section 10 hereof, any Bond may, in accordance with its terms, be transferred, upon the Registration Books, by the Owner thereof, in person or by the duly authorized attorney of such Owner, upon surrender of such Bond to the Paying Agent for cancellation, accompanied by delivery of a duly executed written instrument of transfer in a form approved by the Paying Agent.

Whenever any Bonds shall be surrendered for transfer, the designated District officials shall execute and the Paying Agent shall authenticate and deliver, as provided in Section 5 hereof, new Bonds, of the same maturity and interest rate for a like aggregate principal amount. The Paying Agent may require the payment by any Owner of Bonds requesting any such transfer of any tax or other governmental charge required to be paid with respect to such transfer.

Neither the District nor the Paying Agent will be required to transfer any Bonds (a) during the period from the Record Date next preceding any Bond Payment Date to such Bond Payment Date, (b) during the period beginning with the opening of business on the 15th business day next preceding any date of selection of Bonds to be redeemed and ending with the close of business on the day on which the applicable notice of redemption is given, or (c) which have been selected or called for redemption in whole or in part.

(b) Exchange. The Bonds may be exchanged for Bonds of other authorized denominations of the same maturity and interest rate, by the Owner thereof, in person or by the duly authorized attorney of such Owner, upon surrender of such Bond to the Paying Agent for cancellation, accompanied by delivery of a duly executed request for exchange in a form approved by the Paying Agent.

Whenever any Bonds shall be surrendered for exchange, the designated District officials shall execute and the Paying Agent shall authenticate and deliver, as provided in Section 5 hereof, new Bonds of the same maturity and interest rate for a like aggregate principal amount. The Paying Agent may require the payment by the Owner requesting such exchange of any tax or other governmental charge required to be paid with respect to such exchange.

Neither the District nor the Paying Agent will be required to exchange any Bonds (a) during the period from the Record Date next preceding any Bond Payment Date to such Bond Payment Date, (b) during the period beginning with the opening of business on the 15th business day next preceding any date of selection of Bonds to be redeemed and ending with the close of business on the day on which the applicable notice of redemption is given, or (c) which have been selected or called for redemption in whole or in part.

Section 11. Bond Purchase Agreement; Sale of Bonds. The form of Bond Purchase Agreement, in substantially the form submitted to this meeting and made a part hereof as though set forth herein, is hereby approved, and the Authorized Officers are each hereby authorized and directed, for and in the name and on behalf of the District, to execute and deliver a Bond Purchase Agreement in substantially said form, with such changes, insertions and omissions therein as the Authorized Officer executing the same may require or approve, such approval to be conclusively evidenced by the execution and delivery thereof; provided, however, that (a) the interest rate on the Bonds shall not exceed 6.00%

per annum, (b) the minimum purchase price for the Bonds shall be not less than the aggregate principal amount thereof, (c) the Underwriter's discount, for the sale of Bonds shall not exceed 2.00% of the principal amount of such Bonds, net of fee for bond insurance, if any; and (d) the Bonds shall otherwise conform to the limitations specified herein; and, provided further, that the Authorized Officers are each hereby authorized to determine, at or before time of sale and in consultation with the Municipal Advisor, whether to consummate the sale of the Bonds by public sale to an Underwriter or by placement through a Placement Agent in a private sale to a Purchaser, and, if it is determined that a private sale is more beneficial to the District than a public sale, the Authorized Officers are further authorized, subject to the limitations of this Resolution, to enter into a Placement Agent Agreement with a Placement Agent and a Bond Purchase Agreement with a Purchaser, in order to consummate such private sale.

The Bond Purchase Agreement shall recite the aggregate principal amount of the Bonds and shall recite the date thereof, the maturity dates, principal amounts and annual rates of interest of each maturity thereof, the initial and semiannual Interest Dates thereof, and the terms of optional, extraordinary and mandatory sinking fund redemption thereof, if any.

The Board hereby finds and determines pursuant to Government Code section 53508.9 that the negotiated sale of the Bonds to an Underwriter or private sale of Bonds placed through a Placement Agent, with the Underwriter or Placement Agent, as applicable, selected by a competitive bidding process to identify the lowest-cost bidder as contemplated herein, and by the Bond Purchase Agreement or Placement Agent Agreement, as applicable, will provide more flexibility in the timing of the sale, and ability to implement the sale in a shorter time period.

The Authorized Officers are each hereby authorized to cause to be deposited in a costs of issuance account, which may be held by the Paying Agent as cost of issuance administrator, proceeds of the sale of the Bonds (exclusive of any premium or accrued interest received) in an amount not exceeding 2.00% of the principal amount of the Bonds sold, for the purposes of paying the costs associated with the issuance of the Bonds.

The Authorized Officers are each hereby authorized to cause to be deposited in the Interest and Sinking Fund of the District proceeds of sale of the Bonds (in addition to any premium or accrued interest received) to fund (i) an annual reserve permitted by Section 15250 of the Education Code, and/or (ii) capitalized interest in an amount not exceeding the interest scheduled to become due on the Bonds for a period of two years from the date of issuance of the Bonds, as shall be set forth in the Bond Purchase Agreement, if any such a deposit is deemed by the Authorized Officer executing the same to be in the best interests of the District.

For purposes of Education Code section 15146(b) and Government Code section 5852.1, good faith estimates of (a) the true interest cost of the Bonds; (b) the costs associated with the issuance of the Bonds, including Underwriter's discount, Purchaser's fee, or Placement Agent fee, if any, and any such costs which the Underwriter or Purchaser agrees to pay pursuant to the Bond Purchase Agreement; (c) the amount of proceeds to be received by the District (less the Costs of Issuance or reserves or capitalized interest, if any); and (d) the total payments of principal of and interest on the Bonds through the final maturity of the Bonds, are set forth on **Exhibit B** attached hereto and incorporated herein.

Section 12. Insurance. In the event bond insurance is obtained for the Bonds, and to the extent that a bond insurer makes payment of the principal, or interest of the Bonds, it shall become the Owner of such Bonds with the right to payment of principal or interest on the Bonds, and shall be fully

subrogated to all of the Owners' rights, including the Owners' rights to payment thereof. To evidence such subrogation (i) in the case of subrogation as to claims that were past due interest components, the Paying Agent shall note the bond insurer's rights as subrogee on the registration books for the Bonds maintained by the Paying Agent upon receipt of a copy of the cancelled check issued by the bond insurer for the payment of such interest to the Owners of the Bonds, and (ii) in the case of subrogation as to claims for past due principal, the Paying Agent shall note the bond insurer as subrogee on the registration books for the Bonds maintained by the Paying Agent upon surrender of the Bonds by the Owners thereof to the bond insurer or the insurance trustee for the bond insurer.

Section 13. Continuing Disclosure Certificate. The Continuing Disclosure Certificate, in substantially the form submitted to this meeting and made a part hereof as though set forth herein, is hereby approved, and, if the District determines to publicly offer the Bonds, the Authorized Officers are each hereby authorized and directed, for and in the name and on behalf of the District, to execute and deliver a Continuing Certificate in substantially said form, as is necessary to cause the requirements of Rule 15c2-12 to be satisfied, with such changes, insertions and omissions as the Authorized Officer executing the same may require or approve, such determination, requirement or approval to be conclusively evidenced by the execution of the Continuing Disclosure Certificate by such Authorized Officer.

Section 14. Preliminary Official Statement. The Preliminary Official Statement to be distributed in connection with the public offering of the Bonds, if any, in substantially the form submitted to this meeting and made a part hereof as though set forth herein, with such changes, insertions and omissions as may be approved by an Authorized Officer, is hereby approved, and the use of such Preliminary Official Statement in connection with the offering and sale of the Bonds is hereby authorized and approved. The Authorized Officers are each hereby authorized to certify on behalf of the District that such Preliminary Official Statement is deemed final as of its date, within the meaning of Rule 15c2-12 (except for the omission of certain final pricing, rating and related information as permitted by Rule 15c2-12).

Section 15. Official Statement. The preparation and delivery of an Official Statement with respect to the Bonds, if the District determines to publicly offer the Bonds, and its use by the Underwriter, if any, in connection with a public offering and sale of the Bonds, is hereby authorized and approved. Such Official Statement shall be in substantially the form of the Preliminary Official Statement distributed in connection with a public offering of the Bonds with such changes, insertions and omissions as may be approved by an Authorized Officer, such approval to be conclusively evidenced by the execution and delivery thereof. The Authorized Officers are each hereby authorized and directed, for and in the name of and on behalf of the District, to execute the final Official Statement with respect to the Bonds and any amendment or supplement thereto and thereupon to cause such final Official Statement and any such amendment or supplement to be delivered to the Underwriter.

Section 16. Paying Agency, Registrar and Depository. The Paying Agent Agreement, in substantially the form submitted to this meeting and made a part hereof as though set forth herein, is hereby approved, and the Authorized Officers are each hereby authorized and directed, for and in the name and on behalf of the District, to execute and deliver the Paying Agent Agreement in substantially said form, with such changes, insertions and omissions as the Authorized Officer executing the same may require or approve, such determination, requirement or approval to be conclusively evidenced by the execution of the Paying Agent Agreement by such Authorized Officer. The Board hereby authorizes the delivery and performance of the Paying Agent Agreement.

Section 17. Application and Investment of Proceeds.

(a) Deposits by County. Upon the sale of the Bonds and at the further written instruction of an Authorized Officer, the Treasurer is hereby directed to apply or deposit a portion of the net proceeds thereof, exclusive of accrued interest and any original issue premium, into the Building Fund of the District in the County Treasury. The District shall, from time to time, disburse or cause to be disbursed amounts from the Building Fund to pay permitted costs of the Project. Amounts in the Building Fund shall be invested so as to be available for the aforementioned disbursements. The District shall keep a written record of disbursements from the Building Fund. Any premium or accrued interest received by the District shall be deposited in the Interest and Sinking Fund of the District in the County Treasury.

(b) Investment of Funds. All funds held in the Building Fund and the Interest and Sinking Fund of the District shall be held in the County Treasury and invested at the sole discretion of the Treasurer of the County. Proceeds of the Bonds held by the Treasurer shall be invested at the sole Treasurer's discretion pursuant to law and the investment policy of the County. The Treasurer is hereby authorized and requested to invest any or all funds held hereunder at the Treasurer's discretion pursuant to law and the investment policy of the County, both of which may be amended or supplemented from time to time, and to the extent permitted by law, in Permitted Investments.

Section 18. Tax Covenants.

(a) Compliance with Tax Certificate. The District shall not take any action, or fail to take any action, if such action or failure to take such action would adversely affect the exclusion from gross income of the interest payable on Bonds under Section 103 of the Code. Without limiting the generality of the foregoing, the District hereby covenants that it will comply with the requirements of the Tax Certificate with respect to the Bonds to be executed by the District on the date of issuance of such Bonds. The provisions of this subsection (a) shall survive payment in full or defeasance of the Bonds.

(b) Yield Restriction. In the event that at any time the District is of the opinion that for purposes of this Section it is necessary or helpful to restrict or limit the yield on the investment of any monies held by the Treasurer-Tax Collector on behalf of the District, in accordance with this Resolution or pursuant to law, the District shall so request of the Treasurer-Tax Collector in writing, and the District shall make its best efforts to ensure that the Treasurer-Tax Collector shall take such action as may be necessary in accordance with such instructions.

(c) Reliance on Opinion of Bond Counsel. Notwithstanding any provision of this Section, if the District shall provide to the Treasurer-Tax Collector an Opinion of Bond Counsel that any specified action required under this Section is no longer required or that some further or different action is required to maintain the exclusion from federal income tax of interest on Bonds under Section 103 of the Code, the Treasurer-Tax Collector may conclusively rely on such Opinion of Bond Counsel in complying with the requirements of this Section and of the Tax Certificate with respect to the Bonds, and the covenants hereunder shall be deemed to be modified to that extent.

Section 19. Professional Services. Dannis Woliver Kelley shall serve as bond counsel to the District for the Bonds and Government Financial Strategies Inc. shall serve as Municipal Advisor for the Bonds.

Section 20. Delegation of Authority. The Authorized Officers are hereby authorized and directed, jointly and severally, to do any and all things which they may deem necessary or advisable in

order to consummate the transactions herein authorized and otherwise to carry out, give effect to and comply with the terms and intent of this Resolution.

Section 21. Approval of Actions. All actions heretofore taken by the officers, employees and agents of the District with respect to the transactions set forth above are hereby approved, confirmed and ratified.

Section 22. Filing with County. The Superintendent and the Chief Business and Operations Officer, or such other officer or employee of the District as may be designated, are each, acting alone, hereby authorized and directed to report to the Controller (or similar officer) of the County the final terms of sale of the Bonds, and to file with the Controller and with the Treasurer-Tax Collector of the County a copy of the executed Bond Purchase Agreement and this Resolution, and the schedule of amortization of the principal of the Bonds, and to file with the Treasurer-Tax Collector of the County a proposed schedule of draws on the Building Fund of the District, and this Resolution shall serve as the notice required to be given by Section 15140(c) of the Education Code and as the District's request to the Controller of the County and the Board of Supervisor of the County to propose and adopt in each year a tax rate applicable to all taxable property of the District for payment of the Bonds, pursuant to law; and to the other officers of the County to levy and collect said taxes for the payment of the Bonds, to pay in a timely manner to the Paying Agent on behalf of the Owners of the Bonds the principal, interest, and premium, if any, due on the Bonds in each year, and to create in the County Treasury to the credit of the District a Building Fund and an Interest and Sinking Fund pursuant to Section 15146 of the Education Code.

Section 23. Nonliability of County. Notwithstanding anything to the contrary contained herein, in the Bonds or in any other document mentioned herein, neither the County, nor its officials, officers, employees or agents shall have any liability hereunder or by reason hereof or in connection with the transactions contemplated hereby, the Bonds are not a debt of the County or a pledge of the full faith and credit of the County, and the Bonds and any liability in connection therewith shall be paid solely from *ad valorem* property taxes lawfully levied to pay the principal of or interest on the Bonds.

Section 24. The District shall reimburse the County for all costs and expenses incurred by the County, its officials, officers, agents and employees in issuing or otherwise in connection with the issuance of the Bonds.

Section 25. Effective Date. This Resolution shall take effect from and after its date of adoption.
