GENERAL OFFER OF PRIVACY TERMS

1. Offer of Terms

Provider offers the same privacy protections found in this DPA between it and Crick Software, Inc. and which is dated 5/24/2019 to any other LEA ("Subscribing LEA") who accepts this General Offer through its signature below. This General Offer shall extend only to privacy protections and Provider's signature shall not necessarily bind Provider to other terms, such as price, term, or schedule of services, or to any other provision not addressed in this DPA. The Provider and the other LEA may also agree to change the data provided by LEA to the Provider in Exhibit "B" to suit the unique needs of the LEA. The Provider may withdraw the General Offer in the event of: (1) a material change in the applicable privacy statutes; (2) a material change in the services and products subject listed in the Originating Service Agreement; or three (3) years after the date of Provider's signature to this Form. Provider shall notify CETPA in the event of any withdrawal so that this information may be transmitted to the Alliance's users.

Terms and Conditions

Shipping Charges

US and Canadian Orders

All US and orders placed will be subject to a shipping and handling charge of \$25 and are normally shipped UPS Ground. All Canadian orders placed will be subject to a shipping and handling charge of \$45 and are shipped UPS International Ground.

We aim to dispatch orders within 3-5 working days from the date an order is received, but often it is sooner than this. If the product is available for pre-order, information will be given on the site to show that shipment may be longer. If your order is urgent please call for timescales.

All prices are in US dollars. While we try to keep shipping charges as low as possible, we cannot guarantee that these prices will not change.

If you require any further information or have any questions about our delivery terms, please contact us 203 221 2697 or email USinfo@cricksoft.com.

Payment Methods

The payment method that you select for your order depends on whether you are an educational establishment, a home user, or business.

Educational establishments

We accept purchase orders from educational establishments. Invoices for orders placed using a purchase order will be mailed separately to the invoice address. An official purchase order number will need to be included when ordering on the webstore.

Home users and businesses

Payment for orders from home users and businesses is required via a credit or debit card. You will be asked to supply us with your card details via a secure connection. Please note that if you are paying by credit or debit card, the card must be registered at your billing address.

Tax Charges

All prices shown are exclusive of sales tax. Orders received from Connecticut and Washington customers will be subject to the appropriate state tax.

Returns Policy

Crick Software has a no returns policy. If you have any technical problems with your product, please contact us as soon as possible, and our friendly support team will get you up and running quickly. In the unlikely event that your product is faulty (for example, a damaged CD), we will replace it free of charge.

Credit Terms

Payment on orders placed with a purchase order should be made within 30 days of the invoice date. Details on how to make payments will be provided on the invoice.

Privacy policy

This privacy policy sets out how Crick Software uses and protects any information that you provide us with when using any of our websites, our apps, or our computer software.

Crick Software is committed to ensuring that your privacy is protected. Should we ask you to provide certain information by which you can be identified, you can be assured that it will only be used in accordance with this privacy statement.

This policy ensures Crick Software:

- Complies with the data protection law.
- Follows good practice.
- Protects the rights of staff, customers, and suppliers.
- Is open about how it stores and processes data.
- Protects itself from the risks of a data breach.

Crick Software may change this policy from time to time by updating this page. You should check this page from time to time to ensure that you are happy with any changes.

What we do with the information we gather

Customer data

We may collect the following information:

- Name and job title
- Contact information, including email address
- Demographic information such as zip code, preferences, and interests
- Other information relevant to customer surveys and/or offers

We require this information to understand your needs and provide you with a better service. We are processing this data when:

- Collecting your details through forms on our website.
- Updating or adding your details to our customer database.
- Using the information to improve our products and services.
- Sending promotional emails about new products, special offers, or other information which we think you may find interesting, using the email address that you have provided.
- Using your information to contact you for market research purposes.

- Using the information to customize our websites according to your interests.

LearningGrids

When you sign up for a free account with LearningGrids, you will be added to our database and sent information about LearningGrids resources that we think you may be interested in. If you do not wish to receive this information, you can unsubscribe at any time.

Software and apps

Windows/Mac software

We do not collect data in any of our products. Our applications are installed onto client computers and users' work is saved locally, except in network installation where it is saved to a shared folder on your server. You will specify the shared folder during the installation process.

iPad apps

The iPad apps are purchased via the Apple app store and all information about who the app belongs to is linked to your Apple ID and is held by Apple. Our apps do not collect or share information.

We collect information when you initially register with our LearningGrids website to download free resources. We will use this data to provide you with information from time to time on new resources and other products. If you do not wish to receive this information, you can unsubscribe at any time.

Chromebook apps

The Chromebook apps use your Google ID and Google domain to install. We collect your Google email address as your unique identifier. This address is used to determine the status of your current license.

The only student information that we store is the student's email address and basic profile info. This is required to confirm that they are a licensed user. See the Chromebook privacy policy for more information: <http://www.cricksoft.com/us/clicker/chromebook/privacy-policy>.

Security

We are committed to ensuring that your information is secure. In order to prevent unauthorized access or disclosure, we have put in place suitable physical, electronic, and managerial procedures to safeguard and secure the information we collect online. See our data breach and incident response policies.

Controlling your personal information

You may choose to restrict the collection or use of your personal information:

- If you receive information from us that is not of interest to you, you can easily unsubscribe by clicking on the link in the email. We will remove your details from our email list and will not send you information until or unless you ask us to do so.
- We will not sell, distribute, or lease your personal information to third parties unless we have your permission or are required by law.

COPPA And FERPA Compliance

- Crick Software complies with the Children's Online Privacy Protection Act (COPPA). For our iPad and Windows/Mac products we do not hold any student data. For our Chromebook apps we only store the student's email address and basic profile info. This is required to confirm that they are a licensed user and is removed as soon as their subscription ends. We do not hold any other student data or identifiers. The school or district will manage this information and will have oversight and control of login details.
- Family Educational Rights and Privacy Act (FERPA) policies specifically focus on the use of "personally identifiable information (PII)." As our products do not use any PII, we comply with FERPA policies.

How we use cookies

A cookie is a small file which asks permission to be placed on your computer. The cookies help us analyze web traffic and remember information about your preferences in our web shop.

Google Analytics
