

## **Memorandum of Understanding Between the Davis Kids Klub and the Davis Joint Unified School District**

This Memorandum of Understanding ("MOU") is entered into by and between the Davis Kids Klub, a California 501(c)(3) nonprofit corporation (hereinafter "DKK") and the Davis Joint Unified School District, a California public school district (hereinafter "DISTRICT"). DKK and DISTRICT are referred to singularly as "Party" and collectively as "Parties."

The purpose of this MOU is to amend the existing partnership agreement, which took effect July 1, 2018, in recognition of DKK's commitment to lower the cost of childcare for DJUSD families to the lowest possible levels during the pandemic.

DJUSD and DKK agree to the following:

- DKK and the DISTRICT agree to waive all facilities-associated fees for the period of this MOU.
- The DISTRICT will continue to have the DKK Liaison provide a crucial connection between DKK and the DISTRICT. The DISTRICT and DKK agree to waive all fees related to the DKK liaison for the period of this MOU.
- The DISTRICT will provide custodial services at no cost to the DKK for the period of this MOU.

This MOU will remain in effect between July 1, 2020 and June 11, 2021, after which time the original agreement, dated July 1, 2018, will be in effect.
