1.0 Key Personnel: At all times during the term of this Contract, WestEd's performance shall be under the personal supervision and direction of the WestEd Technical Contact provided in Section A of the Contract cover page.

2.0 Independent WestEd Status and Responsibilities: In performing its services, WestEd shall be an independent contractor with authority and responsibility to control and direct the performance of the services required under this Contract, subject to Funder's general right to inspect work in progress to determine whether the services are being performed in accordance with this Contract. All persons hired and/or contracted by WestEd shall be WestEd's employees and/or subcontractors. WestEd shall be responsible for the accuracy, completeness, and adequacy of all services performed by WestEd's employees and/or subcontractors and shall ensure that all applicable Federal, State and County licensing and operating requirements and all applicable accreditation and other standards of quality generally accepted in the field of WestEd's activities are complied with and satisfactorily met. WestEd voluntarily and knowingly assumes the entire liability (if any such liability is determined to exist) to its employees and/or subcontractors or to other persons for all loss, damage, or injury caused by WestEd's employees and/or subcontractors in the course of their employment and/or contract. WestEd shall be responsible for payment of applicable income, social security, and other Federal, State or County taxes and fees, and all statutory benefits including, without limitation, Workers' Compensation, Unemployment Insurance and Temporary Disability Insurance.

3.0 Non-Discrimination in Employment: No person shall on the ground of race, religion, citizenship, color, disabilities, national origin, sex, age, political affiliation, service in the uniformed services, genetic information or genetic characteristics, ancestry, marital status, sexual orientation, gender identity, pregnancy, physical or mental disability, medical condition or beliefs be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity funded or otherwise financially assisted, in whole or in part with funds made available hereunder.

4.0 Termination: It is mutually agreed that either party may terminate this Contract by giving thirty (30) calendar days advance, written notice. Should Funder choose to exercise this termination clause, WestEd shall be paid for all work completed up to and including the date of termination and any non-cancelable obligations. WestEd agrees to submit all final invoices with respect to this Section 4.0 within ninety (90) days of termination of this Contract. See Section 11.0 for specifics regarding notice.

5.0 Intellectual Property Ownership: WestEd is the sole and exclusive owner of any newly created work developed by WestEd under this Contract. WestEd hereby grants to Funder a nonexclusive, non-transferable, royalty-free license to use the newly created work for non commercial purposes.

All pre-existing WestEd data and materials provided to Funder by WestEd to assist in the performance of this Contract shall remain WestEd's property. Upon expiration or termination of the Contract for any reason, Funder shall request instructions from WestEd regarding whether Funder should: (i) Erase or destroy any WestEd data and/or materials maintained by Funder; or (ii) Return the data and/or materials to WestEd. This provision shall survive termination of this Contract.

6.0 Indemnification: Funder agrees to indemnify and hold harmless WestEd, its officers, employees and agents from all claims, liabilities and losses by whomever asserted arising out of acts or omissions by Funder, its officers, employees and agents in the performance of this Contract, except those arising by reason of the sole negligence of WestEd, its officers, employees and agents. This provision shall survive termination of this Contract.

7.0 No Alteration of Contract: No alteration, addendum, modification, or waiver of the terms of this Contract shall be valid unless made in writing and signed by both parties, and no oral understanding or agreement not incorporated herein shall be binding on either of the parties. No inline delineation or alteration shall be accepted or bind WestEd.

8.0 Authority to Sign: Both parties executing this Contract acknowledge and warrant that they possess the authority to enter into this Contract on behalf of their respective companies.

9.0 Conflict of Interest: Funder and WestEd agree that, to the best of each party's knowledge and belief, there are no relevant facts or circumstances which could give rise to an organizational conflict of interest, as defined as, activities or relationships with other persons, organizations or any other third party which would cause either party to be unable or potentially unable to render impartial assistance or advice to the other party or the other party's objectivity in performing the work might be otherwise impaired, or resulting in an unfair competitive advantage, or that Funder or WestEd has disclosed all such relevant information to the other party. Funder and WestEd agree that if an actual or potential organizational conflict of interest is discovered after this Contract is executed, each party will make a full disclosure in writing to the

other party. This disclosure shall include a description of actions which the party has taken or proposes to take, after consultation with other party, to avoid, mitigate, or neutralize the actual or potential conflict. WestEd or Funder may terminate for convenience this Contract, in whole or in part, if it deems such termination necessary to avoid an organizational conflict of interest. If Funder or WestEd was aware of a potential organizational conflict of interest prior to the execution of this Contract or discovered an actual or potential conflict after award and did not disclose or misrepresented relevant information to the other party, the Contract may be terminated for default, or the parties may pursue such other remedies as may be permitted by law or this Contract.

10.0 Confidential Information: "Confidential Information" shall mean with respect to a party hereto (the "Disclosing Party"), collectively, all technical, financial and business information of any kind whatsoever, including, where appropriate and without limitation, all data, specifications, research projections, processes, techniques, technology, ideas, know-how, improvements, inventions (whether or not patentable or copyrightable), trade secrets, formulae, information concerning research or development by or for the Disclosing Party, information which is or has been generated or received in confidence by or for the Disclosing Party by or from any person, and any other information as well as any and all tangible and intangible embodiments thereof of any kind whatsoever; in each case disclosed by the Disclosing Party to the other party hereto (the "Receiving Party"), or obtained by the Receiving Party through observation or examination of the foregoing, regardless of whether such information or embodiment has been marked as confidential. Confidential Information shall include disclosures in any form, whether in writing, in an electronic format (including without limitation emails, tapes, diskettes, compact disks, or other similar media), and orally (in the case of oral disclosures, only if such disclosure is identified as confidential prior to disclosure). Each party agrees: (a) to hold the other party's Confidential Information in strict confidence in accordance with this Section 10.0; (b) to exercise at least the same care in protecting the other Party's Confidential Information from disclosure as the party uses with regard to its own Confidential Information; (c) to restrict dissemination of Confidential Information within its organization to employees/personnel having a need to know in connection with the stated or defined purpose herein; (d) not to disclose such Confidential Information to third parties without the prior, written consent of the disclosing party; and (e) not to use any Confidential Information for any purpose except for the stated or defined purpose herein without the prior written consent of the disclosing party.

11.0 Notices: Any notice or other communication shall be in writing, and will be considered to have been given if delivered by hand or sent by certified United States mail, return receipt requested, or by commercial courier service to the other party at the address stated above or to such other address as may be specified by either party in a notice to the other. Notice is effective upon receipt.

12.0 Force Majeure: WestEd will not be liable for any failure to perform as required by this Contract, if the failure to perform is caused by circumstances reasonably beyond WestEd's control, such as labor disturbances or labor disputes of any kind, accidents, failure of governmental approval required for full performance, civil disorders or commotions, acts of aggression, acts of God, energy or other conservation measures, explosions, failure of utilities, mechanical breakdowns, material shortages, disease, theft, or other such occurrences.

13.0 Governing Law: This Contract shall be governed by the internal substantive laws, but not the choice of law rules, of the State of California.

14.0 Entire Agreement: This Contract, together with Exhibits hereto, is the entire agreement of the parties and supersedes any prior agreements between them, whether written or oral, with respect to the subject matter hereof.

15.0 Severability: If any provision of this Contract is found by a court to be void, invalid or unenforceable, this Contract will either be reformed to comply with applicable law or the provision in question will be stricken so as not to affect the validity or enforceability of the remainder of this Contract.

16.0 Counterparts: This Contract may be executed in two or more counterparts, each of which together shall be deemed an original, but all of which together shall constitute one and the same instrument. In the event that any signature is delivered by facsimile transmission or by e-mail delivery of a ".pdf" format data file, such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile or ".pdf" signature page were an original thereof.

17.0 Order of Precedence: In the event of a discrepancy between these terms and conditions and any additional exhibits or attachments, the language of these terms and conditions will prevail.

Davis Joint Unified School District
Scope of Work 2020-2021
Continuing to Implement and Refine Co-Teaching

Definition of Co-Teaching:

When two or more educators CO-PLAN, CO-INSTRUCT, AND CO-ASSESS a group of students with diverse learning needs in the same general education classroom (Murawski, 2003).

Purpose of Co-Teaching:

Co-teaching enables students with disabilities to access the general curriculum in meaningful ways, without leaving behind the *specially designed instruction* to which they are entitled—instruction that will enable them to reach their full potential (Marilyn Friend, 2016).

Professional Learning Offerings:

WestEd provides a range of professional learning offerings to address the range of implementation and learning needs of educators at all levels of the system (all professional learning offerings can be delivered virtually (synchronous, asynchronous, or a hybrid) or in-person based on district needs to be determined prior to scheduled date).

Overall Purpose of Professional Learning Series:

Provide educators at all levels of the system, from district and site administrators to paraeducators, general education and special education teachers, the knowledge, tools and strategies to continuously apply evidence-based teaching practices to improve student learning outcomes for students with disabilities in the co-taught classroom and all inclusive settings.

Layers of Professional Learning Goals and Objectives

1. Target Audience: District and Site Leadership

Focus on empowering site leaders with the knowledge, shared language, and tools necessary to select and support teachers and place students with IEPs in general education classes with the tangible supports that students need to access the curriculum—a student-centered model versus a teacher-centered model. Leaders will:

- Establish shared definitions of inclusive practices and co-teaching;
- Align the implementation and refinement of inclusive practices with other district initiatives;
- Clarify the role of inclusive practices and co-teaching within a Multi-Tiered System of Support;
- Analyze data to identify areas of strength and areas of need for improving inclusive practices;
- Develop master schedules with a focus on inclusive practices and co-teaching;

excellence in research, development, and service

- Select and support co-teachers for continuous improvement of an inclusive program.

Recommended Duration: 2 two-three hour sessions for administrators; one held in January/February when master schedules are being established and one during the summer to reflect on previous year and plan for upcoming year.

2. Target Audience: General and Special Education Co-Teachers

Focus on replacing common misunderstandings about students with IEPs with facts; explore high incidence disabilities, the impact they have on student learning, and the accommodations that should be provided in the general education classroom to address those who think and learn differently; clarify the differences between modifications and accommodations, and scaffolding and accommodations. Teachers will:

- Understand inclusion, inclusive practices, and co-teaching;
- Understand how students with disabilities learn differently;
- Understand the differences between accommodations and modifications and how to provide those in the co-taught class;
- Establish clear roles and responsibilities for both co-teachers;
- Learn how to co-plan and strengthen the collaborative relationship between the two teachers;
- Explore the six co-teaching instructional models;
- Learn how to apply the six co-teaching instructional models in both a distance learning model and in-classroom model;
- Apply the High Leverage Practices (HLPs) in Special Education in the co-taught class;
- Use the Universal Design for Learning lesson planning cycle to provide equitable and accessible instruction for all learners in the co-taught class.
- West Ed staff is able to schedule in-person or virtual planning and coaching sessions with co-teaching teams.

Recommended Duration: A series of 4 days over the course of the school year (each full day delivered via virtual sessions will include a two-three hour live session supported by asynchronous learning).
