## School Accountability Report Card

### Reported Using Data from the 2019-2020 School Year

#### Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

**School Description and Mission Statement (School Year 2020-2021)**

The Fairfield Mission is to establish a school that stimulates creativity and curiosity, and challenges our students to reach their highest potential. We provide an environment that is a safe, friendly, joyful place to learn, where children feel free to explore and discover, to experiment with ideas, and to take creative risks. We foster a learning community where, with effort and concentration, and with strong home and school support, all children can successfully acquire the basic skills needed to become lifelong learners and to participate fully in society and the workplace. We believe that thinking must pervade the curriculum for all students in all grades. Therefore, we seek to provide a curriculum for all children that engages them as active and responsible learners, encourages student collaboration, and provides students with real-life learning activities. We teach students to think, analyze, and find acceptable solutions to problems. Because we recognize that children have different learning styles, we employ a variety of teaching strategies. We pledge that our evaluation of student progress be sensitive and thorough. We stand for the universal moral values that all members of our community can support: honesty, respect, and compassion. We revere self-expression and we cherish diversity. We model the behavior we expect of our children, and we demonstrate our commitment to collaboration and shared decision-making through participation in the leadership of our school. Our strength lies in our bond, in the interdependence of willing parents, teachers, and children. We believe and delight in the unlimited potential of our students.

## School Facility Conditions and Planned Improvements

Fairfield Elementary School is in good repair, according to the criteria established by the Office of Public School Construction.

The site's deficiencies are minor, resulting from common wear and tear. A parking lot was added to the land next to our site, which is leased by DJUSD, for use by the Fairfield Elementary Community. The internet connection was updated through AT&T to improve connectivity. A new fire panel was installed and central station monitoring was added.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in ELA and Mathematics for All Students

#### Grades Three through Eight and Grade Eleven

#### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2018-19	School 2019-20	District 2018-19	District 2019-20	State 2018-19	State 2019-20
English Language Arts/Literacy (grades 3-8 and 11)	75	N/A	72	N/A	50	N/A
Mathematics (grades 3-8 and 11)	83	N/A	66	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

#### Opportunities for Parental Involvement (School Year 2020-2021)

Fairfield Elementary School follows a parent participation-based model. Each family is expected to complete a set number of volunteer hours during the school year. Parent/family roles and responsibilities may include: classroom helper, lunch aide, PTA officer, School Site Council (SSC) officer, Science Coordinator, Newsletter Editor, field trip driver, and many others. Parents also participate through various “work parties.” With an average enrollment of 48 families, Fairfield is served by well over 100 hours per week of parent volunteer time.

### State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates.

#### Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School 2016-17	School 2017-18	School 2018-19	District 2016-17	District 2017-18	District 2018-19	State 2016-17	State 2017-18	State 2018-19

## State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	0.0	0.0	2.3	2.5	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

### Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0	0.018	
Expulsions	0	0.0	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

### School Safety Plan (School Year 2020-2021)

Fairfield Elementary updated its emergency response plan to reflect new procedures put in place district-wide. All required emergency equipment is in place at each classroom's emergency exit, and Emergency Responses posters are placed at all exits. Evacuation maps and posters are being updated to include a plan for an off campus evacuation. Fairfield has regular emergency response drills that follow district established procedures. We also continue to work with Maintenance and Operations to make sure that buildings and the playground are up to code. Current Safety Plan was approved by Site Council on November 18, 2020

The school community at Fairfield works together closely on a daily basis, and the climate is inclusive, nurturing, and welcoming. (See also "Opportunities for Parental Involvement.")

### Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	33	33	

The school has 1-hour sessions dedicated to professional development each Wednesday for teachers/staff to attend (30 days for 1-hour each). Additionally, the school has one (1) full day prior to the start of the school year and two (2) full days spread throughout the year, dedicated to professional development.

Davis Joint Unified School District focuses on professional growth offerings on our mission and objectives. Our focus is given to professional learning that promotes DJUSD goals of 21st Century Teaching and Learning, Closing the Opportunity and Achievement Gaps, and Creating Safe and Inclusive Environments. DJUSD goals also include professional learning structures that support teaching and learning that will build student competencies identified within our Graduate Profile. These areas of focus were developed with wide-scale stakeholder input and are embedded within our Local Control Accountability Plan.

Davis Joint Unified School District uses a variety of professional learning models to engage staff in their continued growth. Built on the foundation of internal expertise and consultants from outside our district, staff have opportunities during the school year and summer to complete professional development learning episodes and time to implement best practices learned. These activities are supported by federal, state, and local funding as well as generous local parcel taxes. The professional growth occurring in Davis Joint Unified School District has a heavy emphasis on collaboration where time is reserved weekly for dedicated site-based staff collaboration in grade level or departmental teams under the direction of site administrators. Staff also has the opportunity to collaborate with grade-level/content peers. Davis Joint Unified School District also has instructional coaches that provide professional growth opportunities with model lessons, collaborative planning, and in-context learning. Examples of recent Davis Joint Unified School District professional learning include:

- Comprehensive site focuses on the foundational understanding, implementation, and sustenance of MTSS and PBIS
- Teacher book groups on Culturally Responsive Pedagogy and Anti-Racist Teaching Practices
- Ethnic Studies Institute based on “knowledge of self” as Ethnic Studies teacher and Scholar Lecture Series from UC experts on the content of Ethnic studies
- Reading Apprenticeship literacy series and mentorship through WestEd
- UC Davis Mathematics Project Teacher Leadership program (K-12) trained math teachers, instructional coaches, and some administration in the Common Core State Standards and progression of mathematical practices
- Elementary and Secondary Summits, where DJUSD staff-led sessions in best practices and promising innovation pilots
- Yolo County Mental Health First Aid
- National Equity Project
- Mindful Schools where each site sent a team to learn mindfulness practices for school settings

- Canvas Collaborative Courses where educators can self-select in collaboration using Canvas; this included professional development groups working on Anti-Racist pedagogy, Earth Science teachers learning about NGSS, Teacher

Librarian literacy lessons, and resources for the History-Social Science frameworks.

- K-6 formative assessment and personalized curriculum using the i-Ready Diagnostic Assessment platform
- Site developed training (TK – 12) based upon needs articulated by staff, parents, and students to meet specific needs and goals. Sites develop professional growth with the support of outside expertise, district leadership, and staff
