## School Accountability Report Card

### Reported Using Data from the 2019-2020 School Year

#### Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

## Opportunities for Parental Involvement (School Year 2020-2021)

Korematsu has several active parent programs that support learning. The Parent-Teacher Organization (PTO) has been instrumental in supporting and augmenting the development of a vital school community at the site, sponsoring school-wide events throughout the year that link to classroom programs and bringing our families together to celebrate annual benchmarks in the school year. The Site Council has played a critical role in working with teachers to review and plan instructional strategies and key program support for our diverse community and success for all students. We have an active bilingual parent community that meet regularly for ELAC to review their children's English Language Acquisition development and review program implementation. Korematsu also has an active School Garden Committee and a program of volunteers in our classrooms and libraries.

### State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates.

### Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Suspensions	0	0.018	
Expulsions	0	0.0	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

## School Safety Plan (School Year 2020-2021)

The school has a comprehensive safety plan, approved every Fall of each year by the site council. The plan is a comprehensive document reviewing all procedures and protocols as mandated by federal and state laws and guidelines. We practice two safety week drills throughout the year, one in the fall and one in the spring. These are all planned week long drills. Procedures are in place at the site in the event of a natural or man-made disaster. The procedures address student safety, supervision, facility monitoring and parental notification. The school's Crisis Response Plan is available for review in the main office some of the components include the following: Crisis/Disaster Leader in each building/wing w/ walkie-talkie Each classroom provided w/ red emergency backpack with emergency supplies Systems and Disaster Response folders and charts in each classroom Practice of disaster drills monthly and quarterly. The following conditions provide Korematsu students with a safe school environment before, during, and after school: Before-school supervision provided by yard duties beginning at 8:10 a.m. Recess and lunch period supervision provided by yard duties and para-educators. Visitors and parents are required to check-in at the office prior to accessing the classrooms. Students arriving late or leaving early must be processed through the main office.

Climate: We have a climate committee that meets four times a year. The school collects data through our yearly climate survey. We focus on areas of improvement based on the feedback from the survey. We also promote and follow the district's climate policy. We have a full time counselor who pushes in and presents classroom instruction for students in the area of social emotional learning (SEL) which includes but is not limited to the following: conflict resolution, self-esteem, empathy, self-regulation, child development. The counselor also runs small friendship groups. Every year, we hold the Fred T Korematsu Day of Civil Liberties and the Constitution to honor our school's namesake and remind students of the importance of our civil liberties.

<b>Number of school days dedicated to Staff Development and Continuous Improvement</b>	33	33	

The school has 1-hour sessions dedicated to professional development each Wednesday for teachers/staff to attend (30 days for 1-hour each). Additionally, the school has one (1) full day prior to the start of the school year and two (2) full days spread throughout the year, dedicated to professional development.

Davis Joint Unified School District focuses on professional growth offerings on our mission and objectives. Our focus is given to professional learning that promotes DJUSD goals of 21st Century Teaching and Learning, Closing the Opportunity and Achievement Gaps, and Creating Safe and Inclusive Environments. DJUSD goals also include professional learning structures that support teaching and learning that will build student competencies identified within our Graduate Profile. These areas of focus were developed with wide-scale stakeholder input and are embedded within our Local Control Accountability Plan.

Davis Joint Unified School District uses a variety of professional learning models to engage staff in their continued growth. Built on the foundation of internal expertise and consultants from outside our district, staff have opportunities during the school year and summer to complete professional development learning episodes and time to implement best practices learned. These activities are supported by federal, state, and local funding as well as generous local parcel taxes. The professional growth occurring in Davis Joint Unified School District has a heavy emphasis on collaboration where time is reserved weekly for dedicated site-based staff collaboration in grade level or departmental teams under the direction of site administrators. Staff also has the opportunity to collaborate with grade-level/content peers.
