School Accountability Report Card

Reported Using Data from the 2019-2020 School Year

Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020-2021)

MLKHS is a unique learning environment that serves between 50-75 students at any given time. Students enter on a quarterly basis and exit whenever they have met graduation requirements, or return to the comprehensive high school; as a result, MLKHS enrolls approximately 100-140 students over the course of a school year. New students are referred through a Student Study Team (SST) process with the site principal and counselor to determine the appropriateness of placement at King. The school offers a voluntary educational option for high school students who are at least 16 years old and in the 11-12th grade. Tenth grade students who are at least 15.5 may be enrolled on a case by case basis. Students and parents choose King for a variety of reasons such as credit recovery, acceleration, flexible scheduling, a small learning community, one-on-one instruction, and/or to address special needs or circumstances (SPED/ELL). Since its inception in 1970, the school site and facilities, as well as staff, have expanded to better meet the needs for any student who needs an alternative educational route to a diploma.

Martin Luther King, Jr., High School supports the individual student's educational journey toward earning a high school diploma. Our students gain both literacy and career skills, along with the necessary academics required for graduation. We teach vocational and technological skills which will help advance students' ability to succeed in today's job market and post secondary educational settings and beyond. Through a structured and caring educational environment, we strive to cultivate in each student a sense of responsibility and respect for themselves, the community, and the world at large.

Vision, Mission, and Learner Outcomes:

The following were developed by the King staff with input and approval from students and parents. A series of meetings and focus groups were held over the past three years.

Vision: King High's vision is to ensure that every student in our community thrives.

Mission: At King High:

- We care for the whole child by providing them with a safe and welcoming environment, connecting them to resources, addressing their changing needs, and treating them as capable students.
- We expect students to graduate and provide supports by allowing them to earn and recover credits in a variety of ways.
- We aim to ignite confidence in students to reconnect them with their learning.
- We help students to explore post-graduation opportunities.
- We teach students to think and care about something bigger than themselves and to connect to their community.

Student Learner Outcomes: Our students will be Present, Positive, and Productive at school and in their personal, extracurricular, and post-high school lives.

- Present: in their lives, as listeners, with open minds, clear heads
- Positive: they are empathetic, compassionate, kind, hopeful, confident, and can think of something greater than themselves
- Productive: they can learn, they want to continue learning, they can be critical thinkers, they can analyze information, they can apply what they learn to their own lives, they have academic and real-world skills, they are active in their education and their journey towards their goals, they are literate, they are creative, they have a solid foundation in math concepts, they are strong writers and readers, they have a plan for the future

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

School Facility Conditions and Planned Improvements

Martin Luther King Continuation High School is a relatively new facility, having been built new and moved into in 2007, and meets all standards for good repair, as established by the Office of Public School Construction. There are no facility deficiencies.

School Facility Good Repair Status

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month of the most recent FIT report: 3/16/2020

System Inspected	Rating	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	
Interior: Interior Surfaces	Fair	Structural crack in ceiling plank. Not immediate concern.

Overall Rating	Good	

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	5	N/A	66	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Career Technical Education Programs (School Year 2019-2020)

All students at King High school are required to meet a 5 credit requirement in Career education. Students investigate their learning and personality styles as well as research careers that match their interests. Students are encouraged to apply for positions that allow them to broaden their outlook of careers. Students are taught how to interview for positions using mock interviews from staff and peers. In 2014, the school held a Career Fair for all students. Professionals from various occupations spoke to students about their career and the pathway to the career. Additionally, students are encouraged to investigate the community colleges in the area. Beginning each January, each senior meets with the counselor and fills out the FAFSA and registers for the community college of their choice. At least once per year, a field trip to the local community college is planned for all interested students.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

Parents/guardians are an important part of King High School. Each year, a back to school night event is held that includes dinner, an open house, and the opportunity for our families to discuss ways to support their students, our school, and each other. Parent representatives serve on the superintendent's parent advisory group, school site council, and are encouraged to serve on various district committees such as DELAC, AIM, and Special Education. Parents are kept abreast of happenings at King by list-serve announcements, Canvas viewing options, and an updated website. Parents are recruited to drive on field trips, and attend other outings in a supervisory capacity. In addition, at least one parent serves on interview committees for incoming staff. We have several parents actively involved in the district-wide LCAP Advisory Board and Superintendent's Advisory Board. We also hold three parent nights a year to highlight relevant topics and introduce new families to our program. Our annual alumni feast has been expanded to include families of current students and those with a strong connection to King, so get to see more involvement with parents/guardians volunteering for and attending that event.

When students enroll at King, they and at least one parent/guardian must attend a mandatory Welcome Night to meet all the staff and learn about our King community. This sets the stage for continued parent contact and involvement.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates.

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School 2016-17	School 2017-18	School 2018-19	District 2016-17	District 2017-18	District 2018-19	State 2016-17	State 2017-18	State 2018-19

Graduation Rate	65.8	65.2	73.5	94	93.1	95.3	82.7	83	84.5

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Suspensions	11.1	4.4	2.3	2.5	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	10	0.018	
Expulsions	0	0.0	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

School safety begins with a focus on respect for and acceptance of others. The King HS staff monitors language and behavior in classrooms and between classes. King does not have an open campus, and students check in and out at the front office. All visitors enter the building through the front office and identify themselves to the secretary or principal. Emergency kits and safety binders are in all classrooms and are easily identified by their location. The school safety plan is available in the office and the School Site Council (SSC) reviews it every year. In the fall of 2016, a Crisis Response Protocol and a site-based Discipline Response Flow Chart were revised to facilitate consistent and effective response to all safety issues and instances of misbehavior. Quarterly evacuation drills, and annual lock-down drills are conducted to ensure staff and student readiness for all basic emergencies. In addition, the staff has access to all DJUSD personnel with the use of Nextel phones, radios to the District Office, and emergency cell phone contacts that will alert the administration of situations at King immediately. It was last viewed and approved on November 27, 2018, and approved by Site Council. It is reviewed multiple times a year with staff and students prior to drills being conducted.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	33	33	

The school has 1-hour sessions dedicated to professional development each Wednesday for teachers/staff to attend (30 days for 1-hour each). Additionally, the school has one (1) full day prior to the start of the school year and two (2) full days spread throughout the year, dedicated to professional development.

Davis Joint Unified School District focuses on professional growth offerings on our mission and objectives. Our focus is given to professional learning that promotes DJUSD goals of 21st Century Teaching and Learning, Closing the Opportunity and Achievement Gaps, and Creating Safe and Inclusive Environments. DJUSD goals also include professional learning structures that support teaching and learning that will build student competencies identified within our Graduate Profile. These areas of focus were developed with wide-scale stakeholder input and are embedded within our Local Control Accountability Plan.

Davis Joint Unified School District uses a variety of professional learning models to engage staff in their continued growth. Built on the foundation of internal expertise and consultants from outside our district, staff have opportunities during the school year and summer to complete professional development learning episodes and time to implement best practices learned. These activities are supported by federal, state, and local funding as well as generous local parcel taxes. The professional growth occurring in Davis Joint Unified School District has a heavy emphasis on collaboration where time is reserved weekly for dedicated site-based staff collaboration in grade level or departmental teams under the direction of site administrators. Staff also has the opportunity to collaborate with grade-level/content peers. Davis Joint Unified School District also has instructional coaches that provide professional growth opportunities with model lessons, collaborative planning, and in-context learning. Examples of recent Davis Joint Unified School District professional learning include:

- Comprehensive site focuses on the foundational understanding, implementation, and sustenance of MTSS and PBIS
- Teacher book groups on Culturally Responsive Pedagogy and Anti-Racist Teaching Practices
- Ethnic Studies Institute based on “knowledge of self” as Ethnic Studies teacher and Scholar Lecture Series from UC experts on the content of Ethnic studies
- Reading Apprenticeship literacy series and mentorship through WestEd
