School Accountability Report Card

Reported Using Data from the 2019-2020 School Year

Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020-2021)

North Davis Elementary School is located in the heart of Davis, California, close to downtown, parks, recreation areas, our city library, and Davis Senior High School. Davis is about 15 miles outside of Sacramento, and is home to approximately 70,000 people. Davis is also home to the University of California, Davis, which along with Davis Senior High School, provides our school with unique and enriching opportunities for our students. Interns currently studying at UC Davis and Peer Tutors from Davis Senior High School provide support to our students in almost every classroom. Each year we welcome dozens of elementary students and their families from countries around the world through the UC Davis visiting scholar program, adding to our wonderfully diverse campus. Our students descend from 31 different countries, and approximately one-third of our student population speaks a language other than English.

Our state-reported enrollment is 540 students. Approximately 20% of our students are English Language Learners, 12% of our students receive special education services, and 12% are GATE-identified. We have a full-inclusion program on campus. 48% of our students are White, 27% Asian, 16% Hispanic, 5% African-American, 2% Filipino, less than 1% American Indian and less than 1% Pacific Islander.

The staff at North Davis Elementary School is committed to providing a welcoming and nurturing environment for all students. We provide a rigorous course of study for every child. We regularly assess to ensure that we are instructing our students appropriately, that we are challenging every student to grow, and that we are providing sufficient enrichment opportunities for students to show their learning in different ways. We support our students' social-emotional growth by promoting acts of kindness, teaching empathy, encouraging a "growth mindset," and asking them to take risks academically and socially with support and encouragement from staff.

Parents are our partners in the education of their children. Parents play an integral role at our school, providing many of the enrichment opportunities we are so fortunate to offer: art, music, theater, choir, fitness, and more. We involve all families in our school and we celebrate the diversity of our school population. We keep parents informed about the school through Parent Teacher Association, School Site Council, and English Learner Advisory Committee meetings, as well as through electronic communication including, but not limited to, the weekly newsletter. Our goal at North Davis is to continually improve our services to students, and we welcome any and all input from students, staff, families, and the community.

A. Conditions of Learning**State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

School Facility Conditions and Planned Improvements

North Davis Elementary is in good repair, according to the criteria established by the Office of Public School Construction. The school's deficiencies are minor ones resulting from common wear and tear, and there are few of them.

School Facility Good Repair Status

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month of the most recent FIT report: 5/19/2020

System Inspected	Rating	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	
Interior: Interior Surfaces	Fair	Ceiling tiles replaced in several rooms.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	72	N/A	66	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2019-2020)

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

North Davis is proud to partner with families to provide a rich and engaging educational experience for our students. Opportunities for involvement range from formal committees such as School Site Council, Climate Committee, and English Learner Advisory Committee, to joining the active and supportive PTA, to volunteering with fitness, art, and music programs, or in the classroom with our students. All parents and interested family members are encouraged to talk with their child's teacher to get involved, or contact the school principal, Sarah Roseen, at sroseen@djUSD.net.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates.

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Graduation Rate				94	93.1	95.3	82.7	83	84.5

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Suspensions	0.9	0.8	2.3	2.5	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	2	0.018	
Expulsions	0	0.0	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

Safety is our priority at North Davis and in DJUSD. Our Comprehensive Safety Plan is reviewed annually by our School Site Council, most recently on February 18, 2020. Our school participates in Safety Weeks twice yearly where we practice emergency drills. We conduct monthly fire drills, per Ed. Code. District staff regularly maintain and inspect our facilities for potential safety hazards, and all staff are vigilant about ensuring they are wearing appropriate identification, as well as enforcing our visitors on campus protocols. We have emergency communication protocols in place, and our crisis team has been trained in our safety protocols. As a staff, we review our emergency protocols yearly, ensuring all staff are equipped with the information they would need in the case of an emergency.

Along with physical safety, our students' emotional safety is our priority. Students can't learn if they don't feel safe. Our staff is dedicated to providing consistent school-wide behavior expectations, consequences, and incentives. We create safe spaces for our children, explicitly teach mindfulness practices, have a counseling center available to all students, and deliver a social-emotional curriculum including scripted lessons, class meetings, assemblies, and teaching/re-teaching of school expectations.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	33	33	

The school has 1-hour sessions dedicated to professional development each Wednesday for teachers/staff to attend (30 days for 1-hour each). Additionally, the school has one (1) full day prior to the start of the school year and two (2) full days spread throughout the year, dedicated to professional development.

Davis Joint Unified School District focuses on professional growth offerings on our mission and objectives. Our focus is given to professional learning that promotes DJUSD goals of 21st Century Teaching and Learning, Closing the Opportunity and Achievement Gaps, and Creating Safe and Inclusive Environments. DJUSD goals also include professional learning structures that support teaching and learning that will build student competencies identified within our Graduate Profile. These areas of focus were developed with wide-scale stakeholder input and are embedded within our Local Control Accountability Plan.

Davis Joint Unified School District uses a variety of professional learning models to engage staff in their continued growth. Built on the foundation of internal expertise and consultants from outside our district, staff have opportunities during the school year and summer to complete professional development learning episodes and time to implement best practices learned. These activities are supported by federal, state, and local funding as well as generous local parcel taxes. The professional growth occurring in Davis Joint Unified School District has a heavy emphasis on collaboration where time is reserved weekly for dedicated site-based staff collaboration in grade level or departmental teams under the direction of site administrators. Staff also has the opportunity to collaborate with grade-level/content peers. Davis Joint Unified School District also has instructional coaches that provide professional growth opportunities with model lessons, collaborative planning, and in-context learning. Examples of recent Davis Joint Unified School District professional learning include:

- Comprehensive site focuses on the foundational understanding, implementation, and sustenance of MTSS and PBIS
- Teacher book groups on Culturally Responsive Pedagogy and Anti-Racist Teaching Practices
- Ethnic Studies Institute based on “knowledge of self” as Ethnic Studies teacher and Scholar Lecture Series from UC experts on the content of Ethnic studies
- Reading Apprenticeship literacy series and mentorship through WestEd
- UC Davis Mathematics Project Teacher Leadership program (K-12) trained math teachers, instructional coaches, and some administration in the Common Core State Standards and progression of mathematical practices
- Elementary and Secondary Summits, where DJUSD staff-led sessions in best practices and promising innovation pilots
- Yolo County Mental Health First Aid
- National Equity Project
- Mindful Schools where each site sent a team to learn mindfulness practices for school settings
- Canvas Collaborative Courses where educators can self-select in collaboration using Canvas; this included professional development groups working on Anti-Racist pedagogy, Earth Science teachers learning about NGSS, Teacher

Librarian literacy lessons, and resources for the History-Social Science frameworks.

- K-6 formative assessment and personalized curriculum using the i-Ready Diagnostic Assessment platform
