## School Accountability Report Card

### Reported Using Data from the 2019-2020 School Year

#### Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in ELA and Mathematics for All Students

#### Grades Three through Eight and Grade Eleven

#### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2018-19	School 2019-20	District 2018-19	District 2019-20	State 2018-19	State 2019-20
English Language Arts/Literacy (grades 3-8 and 11)	68	N/A	72	N/A	50	N/A
Mathematics (grades 3-8 and 11)	60	N/A	66	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

### Opportunities for Parental Involvement (School Year 2020-2021)

The Patwin Community strives to foster a strong connection and positive relationships between the school, the families, and the students. This partnership must be based on honest, clear, and frequent communication. The following are vehicles for that communication and participation:

#### Patwin PTA

Our PTA meets on the second Monday of each month from 7:00-8:00 p.m. in the Library. The group is made up of parents and teachers who do much of the behind the scenes work at school. Current fundraisers sponsored by the PTA include the Unfundraiser, Book Fair, Auction.

#### Patwin School Site Council (SSC)

This is an elected group of parents, teachers, and staff who are key in determining the direction of our school. In addition to helping in the development of the school plan, they make the final determination on how funds are spent at the site. This group meets one Monday of each month at varying times, to accommodate community member needs, and is open to everyone. SSC Agendas are posted on the office door in advance of the meetings.

#### Patwin Climate Committee

This committee meets at monthly, to allow for parent participation. The meetings are announced in the school newsletter and on the list-serve. This committee works to improve and maintain a positive school climate for all students.

#### English Learner Advisory Committee (ELAC)

This group meets throughout the year, and includes the families of our English Learners. The goal is to encourage participation, exchange information, develop relationships, and address the needs of English Learners. This committee is led by our EL Specialist, Arlene Den Dulk.

#### Title I Meetings

These meetings occur at least twice a year and include the students and families of students identified as Title I students. It provides opportunities for parents to learn about what programs are available to their students, ask questions, and learn strategies for supporting their students at home. These are evening meetings that occur in the winter and spring.

#### Patwin Press

This school newsletter is published in hard copy and distributed electronically on the first Monday of every month. It is available in English, Spanish, Chinese and Korean and provides important dates, helpful information and school and district news.

#### Classroom Newsletters

Many teachers send home classroom newsletters. These newsletters include class information on events, projects, curriculum, and school happenings.

#### Patwin Website

The Patwin website can be accessed through the DJUSD home page, and provides helpful links and information. More information can be found on the Patwin PTA website at [www.patwinelementary.org](http://www.patwinelementary.org).

#### Patwin Participation Opportunities

Family Math Nights, Running Club, Guest Speakers, Field Trip Volunteers, Patwin Day, Special Events, Parent Conferences, Library Volunteers, Back to School Night, Battle of the Books, Open House and Classroom Volunteer are all additional opportunities for parents to participate in school life.

### State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates.

#### Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School 2016-17	School 2017-18	School 2018-19	District 2016-17	District 2017-18	District 2018-19	State 2016-17	State 2017-18	State 2018-19

Graduation Rate				94	93.1	95.3	82.7	83	84.5

## State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	1.1	0.9	2.3	2.5	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

### Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	1	0.018	
Expulsions	0	0.0	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

### School Safety Plan (School Year 2020-2021)

Patwin Elementary updated its emergency response plan to reflect new procedures put in place district-wide. All required emergency equipment is in place at each classroom's emergency exit, and Emergency Responses posters are placed at all exits. Evacuation maps and posters were updated to include a plan for an off campus evacuation. Patwin has regular emergency response drills that follow district established procedures. We also continue to work with Maintenance and Operations to make sure that buildings and the playground are up to code.

We are working with the Patwin Community so they know to check into the office whenever on campus. They will present their drivers license to be scanned by our Raptor system and then receive a badge indicating they are a visitor/volunteer. All staff members wear Patwin Staff badges, and have been given information about how to approach adults on campus if they are not wearing a badge. We are also working with the city's Safe Routes to School group to ensure the safety of our students as they approach and leave the campus, and make sure public signs regarding safety are clear and visible. Ways to secure more radios/walkie-talkies to improve the communication between supervisors, teachers and the office are being considered.

New noon supervisors have been hired and informal training was provided. Systems were put in place that allow us to provide direct and interactive supervision, and to communicate consistent safety rules and behavior expectations. We are also recruiting parent volunteers to help supervise during lunch recess.

A Climate Survey was provided as a way to gather input from the Patwin School Community. Results were tabulated so that a Climate Action Plan could be developed. Three areas of focus include: overall climate, communication, and community

involvement. The Climate Committee holds monthly meetings before the PTA meeting to maximize attendance.

Our current safety plan was approved by the Site Council on November 9, 2020.

Davis Joint Unified School District focuses on professional growth offerings on our mission and objectives. Our focus is given to professional learning that promotes DJUSD goals of 21st Century Teaching and Learning, Closing the Opportunity and Achievement Gaps, and Creating Safe and Inclusive Environments. DJUSD goals also include professional learning structures that support teaching and learning that will build student competencies identified within our Graduate Profile. These areas of focus were developed with wide-scale stakeholder input and are embedded within our Local Control Accountability Plan.

Davis Joint Unified School District uses a variety of professional learning models to engage staff in their continued growth. Built on the foundation of internal expertise and consultants from outside our district, staff have opportunities during the school year and summer to complete professional development learning episodes and time to implement best practices learned. These activities are supported by federal, state, and local funding as well as generous local parcel taxes. The professional growth occurring in Davis Joint Unified School District has a heavy emphasis on collaboration where time is reserved weekly for dedicated site-based staff collaboration in grade level or departmental teams under the direction of site administrators. Staff also has the opportunity to collaborate with grade-level/content peers. Davis Joint Unified School District also has instructional coaches that provide professional growth opportunities with model lessons, collaborative planning, and in-context learning.
