## School Accountability Report Card

### Reported Using Data from the 2019-2020 School Year

#### Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California’s new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California’s diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

## School Facility Conditions and Planned Improvements

Pioneer Elementary school is in good repair, according to the criteria established by the Office of Public School Construction. Facility deficiencies are minor ones resulting from common wear and tear. Daytime and evening custodians ensure cleanliness of the school facilities and complete minor repairs. M&O responds promptly and monitors all work orders submitted through an electronic system. Pioneer staff reports any needed repairs in a timely manner minimizing potential delays in repairs.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in ELA and Mathematics for All Students

#### Grades Three through Eight and Grade Eleven

#### Percentage of Students Meeting or Exceeding the State Standard

| Subject  | School 2018-19 | School 2019-20 | District 2018-19 | District 2019-20 | State 2018-19 | State 2019-20 |

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

| Rate        | School 2017-18 | School 2018-19 | District 2017-18 | District 2018-19 | State 2017-18 | State 2018-19 |
|-------------|----------------|----------------|------------------|------------------|---------------|---------------|
| Suspensions | 1.6            | 0.4            | 2.3              | 2.5              | 3.5           | 3.5           |
| Expulsions  | 0.0            | 0.0            | 0.0              | 0.0              | 0.1           | 0.1           |

### Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

| Rate        | School 2019-20 | District 2019-20 | State 2019-20 |
|-------------|----------------|------------------|---------------|
| Suspensions | 1              | 0.018            |               |
| Expulsions  | 0              | 0.0              |               |

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

## School Safety Plan (School Year 2020-2021)

Safety: We place a strong emphasis on safety. Staff and our School Site Council (SSC) review and revise emergency plans annually. This plan is also reviewed by district office staff. Every classroom has a copy of the Pioneer Elementary School Emergency Procedures with guidelines for emergencies. Staff reviews emergency procedures annually, at the beginning of the school year, and we schedule and practice fire drills every month, earthquake and lock down drills annually. Each teacher reviews emergency routines with their students twice annually, more often if needed. Our custodian checks the school grounds daily as a part of the safety check. Teachers supervise students before school, during recess periods, and at dismissal to ensure safety. We employ parents and young adults as yard duty supervisors to watch over students during lunch and lunch recess. Yard Duty Supervisors are provided training on responding to students using positive behavior intervention strategies. Parent volunteers and visitors check into our school office registering in our computerized system. When volunteers sign in, they wear a sticker to show their presence has been approved and recorded. When parents leave for the day, we ask them to check out at the office. The district's careful use of resources ensures that students have access to clean and safe facilities. Facilities staff works within a scheduled preventive maintenance program to offset costly repairs whenever possible. Climate: Our teachers and administration focus on the positive and maintain a warm and constructive atmosphere in their classrooms. Teachers work with their students to identify appropriate behavior expectations as well as positive and negative consequences. Common positive behavior support practices include: class meetings, redirection, and individual conversations to support positive relationships and prevent misbehavior. Occasionally, a child needs a brief time-out, loss of recess, or another consequence—for example, a phone call home. We track behavior issues through the use of school citations and with a computerized student information management system. We are fortunate that our parents are active partners in helping their children conduct themselves responsibly. A positive school climate is supported by an active parent community and PTA includes programs for empowering students to make positive decisions for solving problems that may arise.

Built on the foundation of internal expertise and consultants from outside our district, staff have opportunities during the school year and summer to complete professional development learning episodes and time to implement best practices learned. These activities are supported by federal, state, and local funding as well as generous local parcel taxes. The professional growth occurring in Davis Joint Unified School District has a heavy emphasis on collaboration where time is reserved weekly for dedicated site-based staff collaboration in grade level or departmental teams under the direction of site administrators. Staff also has the opportunity to collaborate with grade-level/content peers.
