**Agreement Between Davis Robotics Foundation and  
Davis Joint Unified School District**

---

This Memorandum of Understanding (MOU) sets forth the terms and understanding between the Davis Robotics Foundation (DRF) and the Davis Joint Unified School District (DJUSD) to provide access to enrichment activities for DJUSD students.

DJUSD wants to offer a variety of enrichment opportunities to students during from June 2021 to August 2021. DRF will offer up to twenty (20) sponsored spots to DJUSD students in the Citrus Circuits Summer 2021 RoboCamps program.

DRF will work with DJUSD to promote the availability of the sponsored spots.

DJUSD will reimburse DRF \$275 for each DJUSD student enrolled.

A proposal from Davis Robotics Foundation, dated April 9, 2021, is attached.

**Subject: Proposal for DJUSD-Sponsored Students at Summer 2021 RoboCamps**

Davis Robotics Foundation (DRF) is proposing to offer up to 20 sponsored spots to Davis Joint Unified School District (DJUSD) students to participate in the Citrus Circuits Summer 2021 RoboCamps program, taking place from June 14 to August 6. Spots will be made available in up to three different weeks of camp, with appropriate sessions to be determined.

The cost of registration for each student enrolled in the camps is \$275, which includes virtual instruction appropriate to the camp level from Monday through Friday of the week of the camp, as well as a camp shirt.

Davis Joint Unified School District will reimburse DRF \$275 for each student enrolled. Citrus Circuits and DRF will work with DJUSD to promote the availability of the sponsored spots.

The Davis Robotics Foundation and Citrus Circuits are pleased to offer this opportunity to DJUSD students for this year's RoboCamps program. Please contact me with any questions regarding this proposal.

Sincerely,

Steve Harvey
