#### **VI. PRESENTATION/DISCUSSION/ACTION**

##### **V-a.**

Associate Superintendent Juanitas provided an update on a staff survey being administered weekly to determine how many district staff had access to the vaccine, Yolo County's current status in the State Tiered monitoring system, and Health Indicators. On March 24, the County continued to move to the Orange Tier. With the County's continued trend downward in COVID-19 cases, the possibility of a move to the yellow tier could happen by April 12, staff has focused on lessening disruptions to students.

**Steps to Return  
to Campus**

Associate Superintendent Juanitas provided an update from the CDC and CDPH on social distancing in schools that maximized space between students to no less than three feet between students and maintained six feet of social distancing between staff and students, mitigating layers of ventilation, mask wearing and health screening. Detailed guidance on graduation ceremonies will be released in the coming week.

An overview on the phase return to campus history was provided. With the County's move to the Orange Tier and possible move to Yellow by April 12, Associate Superintendent Boonchouy presented a Phase-4 model for In-Person Hybrid Learning for students' return on April 12. Staff sought guidance from the Board for the April 1 meeting where approval of the models will be requested. The model presented has students returning five days a week for Preschool, Elementary and Secondary students.

Instructional Services staff provided details on the differences between the five-day models and the previously approved two-day in-person models. Staff also outlined the stakeholder outreach to

administration, staff and parents for a revised model for the April 1 Board meeting.

A discussion by Trustees was had to address the many voicemail public comments received on this item. The Board limited public comment playback to 20 minutes.

President DiNunzio invited staff to play any public comment voicemails received. There were many public comments.

**Steps to Return  
to Campus (cont.)**

Trustees asked questions of staff regarding Social Emotional Learning outreach with the new models, discussed equity and access, social distancing, cleaning protocols and the availability of the vaccine for staff. The Board discussed a 4-day model vs. a 5-day model and requested that revised models include a 4-day model to consider on April 1. Trustees also requested a narrative of the school day experience for students in both the in-person and distance-learning models.
