For fiscal year 2015-16 there are 18,620 parcels in the Davis Joint Unified School District. These parcels are located in the Counties of Yolo and Solano. Excluding tax-exempt parcels, there are 15,618 taxable parcels within the District.

RATE AND METHOD OF APPORTIONMENT OF SPECIAL TAX

The special tax is levied each year on each taxable parcel of land within the boundaries of the Davis Joint Unified School District at the following annual rates:

FIGURE 1 – MEASURE C PARCEL TAX RATE

Land Use	Rate FY 2015-16	Unit
Single-Family Residential Parcels	\$327.04	each
Multi-Family Residential Parcels	\$153.30	per unit
Mobile Homes	\$153.30	each
Commercial/Industrial	\$327.04	each
Institutional/Miscellaneous	\$327.04	each
Agricultural	\$327.04	each

"Parcels of Taxable Real Property " is defined as any unit of real property in the District that receives a separate tax bill for ad valorem property taxes from the Yolo or Sano County Treasurer-Tax Collector's Office, as applicable depending on parcel location. All property that is otherwise exempt from or upon which no ad valorem property taxes are levied in any year shall also be exempt from the special tax in such year.

The Single Family Residential designation includes condominiums, manufactured homes on lots, and residences on agricultural and ranch properties. The Multi-Family Residential designation includes any type of multi-family properties, such as duplex, triplex, apartments, etc. Mobile homes are individually considered a multi-dwelling unit parcel, whether located on a separate parcel, or within a mobile home park or mobile home subdivision.

If more than one adjacent assessor parcels constitute a single Subdivision Map Act parcel, such property is considered to be a single parcel of taxable real property and is levied the amount of \$327.04.

An exemption may be granted on any parcel owned by one or more persons aged 65 years or older who occupies the parcel as a principal residence, upon application for exemption. In addition, an exemption may be granted on any parcel owned by one or more persons receiving Supplemental Security Income ("SSI") for disability, regardless of age, who occupies the parcel as a principal residence, upon application for exemption.

The Measure C Parcel Tax is subject to an inflation adjustment annually, based on the change in the Consumer Price Index for All Urban Consumers California.

ADMINISTRATION OF SPECIAL TAXES

INTRODUCTION

Specific details for the administration of the tax are included in the Measure C ballot text in Appendix A of this report. The following narrative provides an overview of the major elements of this administration.

GENERAL ADMINISTRATIVE REQUIREMENTS

The special tax levies are calculated for all parcels on the new fiscal year's assessor roll. This roll includes all parcels that are in existence prior to January 1 of the previous fiscal year. After the special tax levies have been computed, the levy data must be filed with the County Auditor prior to August 10 of each year for inclusion on property tax bills.

After submission of the parcel tax levies, the final levies should be confirmed with the County Auditor prior to the preparation of tax bills, which typically occurs in October. The special tax is collected in two equal installments on the tax bills that are due on December 10 and April 10.

DELINQUENCY PROCEDURES

The District participates in the "Teeter Plan" with the Counties of Yolo and Solano whereby the Counties pay all delinquent parcel taxes to the District and in return the Counties institute collection proceedings and, when collected, keep all delinquent payments with interest and penalties. This plan allows the District to maintain reliable parcel tax revenues and reduces the cost of collection.

The Counties have the option of removing a special levy from the Teeter Plan if delinquencies exceed the threshold of 5%. The District reviews the Counties of Yolo and Solano Tax Collector's public records annually by June 30 to determine the amount of parcel tax revenues and delinquencies during the fiscal year. As shown in Figure 5 below, delinquencies for Measure C were 0.67% of total special taxes levied for 2014-15 special taxes levied for parcels in Yolo and Solano Counties, combined. Provided the delinquency rate on the special taxes is below 5% for the prior fiscal year, the parcel tax levies will continue to be collected under the Teeter Plan.

Total Special Tax Levied	\$6,430,391.05
Total Special Taxes Delinquent	\$42,770.70
Percent of Special Tax Delinquent	0.67%

USE OF PROCEEDS

All proceeds of the tax levied and imposed shall be accounted for and paid into a special account designated for use of operations and maintenance of school facilities only, pursuant to Government Code Section 50075.1(b) and (c).

The Board of Education will hold annual public hearings to set the special tax rate and allocations funded by the Measure. Each year there will be a public accounting of the use of funds during the past year, as required by Government Code Section 50075.3, and approval of the use of funds for the next year, including review by the School Board.

SENIOR EXEMPTIONS

An exemption from payment of the special tax may be granted on any parcel owned by one or more persons 65 years of age or over who occupies parcel as a principal residence, upon application for exemption. To be eligible for the exemption, such property owners must provide satisfactory proof of such status by filing the required application form and supporting documentation.

SUPPLEMENTAL SECURITY INCOME ("SSI") EXEMPTIONS

An exemption from payment of the special tax may be granted on any parcel owned by one or more persons receiving Supplemental Security Income ("SSI") for disability, regardless of age, who occupies the parcel as a principal residence, upon application for exemption. To be eligible for the exemption, such property owners must provide satisfactory proof of such status by filing the required application form and supporting documentation each year.

TAX EXEMPT PROPERTY

Property that is exempt from regular ad valorem property taxation shall not be subject to the Special Tax. Examples of such parcels are condominium complex common areas, and publicly owned or government parcels, as well as zero value parcels.

Shall the Davis Joint Unified School District continue a local parcel tax to preserve existing classroom programs including math, science, English and music; key school-based personnel including librarians, nurses, counselors, school technology and reading specialists; and other programs such as athletics, drama, student nutrition and class size reduction for a period of 5 years not to exceed the Base Annual Tax of \$150.00 per unit for multi-dwelling parcels and \$320.00 per parcel for all other parcels?

EXHIBIT B**FULL BALLOT TEXT**

The full text of the ballot measure shall read as follows:

Shall the Davis Joint Unified School District continue a local parcel tax to preserve existing classroom programs including math, science, English and music; key school-based personnel including librarians, nurses, counselors, school technology and reading specialists; and other programs such as athletics, drama, student nutrition and class size reduction for a period of 5 years not to exceed the Base Annual Tax of \$150.00 per unit for multi-dwelling parcels and \$320.00 per parcel for all other parcels?

The purpose of the measure is to preserve and continue to fund the following specific programs and services:

- a) Continue to provide opportunities for all students to reach proficiency by supporting improved instruction in math and reading;
- b) Continued availability of elementary science instruction programs;
- c) Continued reduced class sizes for elementary grades;
- d) Continued availability of sufficient numbers of classes in secondary core subjects including science, math, English, and social sciences;
- e) Continued availability of multiple foreign language programs;
- f) Continued availability of elementary and secondary school music programs;
- g) Continued availability of advanced placement classes;
- h) Continued availability of junior and senior high (secondary) school physical education programs;
- i) Continued availability of elementary and secondary librarian services;
- j) Continued availability of school counselor, school nurse, other student support staff positions;
- k) Continued availability of athletics and co-curricular programs including drama, debate and journalism programs.
- l) Providing supplemental staff training for classified and certificated employees;

- m) Improving student nutrition by providing fresh farm produce from scratch meals;
- n) Providing additional classroom and library instructional materials, technological materials, equipment and services, and other educational equipment for schools.

Basis of Tax

The tax shall be levied on all Parcels of Taxable Real Property in the District, as defined below, on the following basis:

<u>Type of Parcel</u>	<u>Rate of Annual Tax</u>
Multi-Dwelling Unit Parcel Hundred Fifty	Base Annual Tax Not to exceed One Dollars (\$150.00) per dwelling unit
All Other Parcels Not to exceed Hundred	Base Annual Tax Not to exceed Three Twenty Dollars (\$320.00) per dwelling unit

The Governing Board of the District shall have the authority to levy the full amount of the Base Annual Tax above, or any lesser portion thereof, in any given tax year, at the Board's Discretion.

To account for the impact of inflation on the cost of delivering the classroom programs and student services supported by the education parcel tax, the Base Annual Tax as set forth above shall be adjusted annually, commencing as of the 2015-16 tax year, for inflation by the change in the "Consumer Price Index for all Urban Consumers California (1982-84=100)" published by the U.S. Department of Labor, Bureau of Labor Statistics. In the event this index is no longer published, the Board of Education shall adopt a comparable index of general price levels as it shall reasonably determine. The Board of Education shall cause the Base Annual Tax to be levied at the adjusted amount, or at such reduced adjusted amount in any year in which the Board deems such reduced adjusted amount sufficient and appropriate to meet the District's budgetary needs, or believes such reduced adjusted amount is appropriate in reaction to State budget changes.

By this parcel tax measure, the District seeks voter approval to continue a parcel tax that will impose the parcel tax rates set forth above, which rates include \$320 per parcel and \$150 per dwelling unit in multifamily dwellings. The new level of parcel taxes will be imposed commencing with the 2012-2013 tax year and will run for a period of 5 years.

"Parcel of Taxable Real Property" is defined as any unit of real property in the District that receives a separate tax bill for ad valorem property taxes from the Yolo or Solano County Treasurer-Tax Collector's Office, as applicable depending on parcel location. All property that is otherwise exempt from or upon which no ad valorem property taxes are levied in any year shall also be exempt from the special tax in such year.

A "Multi-Dwelling Unit Parcel" is a Parcel of Taxable Real Property that contains more than one dwelling unit, including, without limitation, a duplex. In addition, all mobile homes,

whether located on a separate parcel, located in a mobile home park or mobile home subdivision shall individually be considered a Multi-Dwelling Unit Parcel.

If more than one adjacent Assessor parcel constitutes a single parcel under the Subdivision Map Act (California Government Code section 66410 et seq.), then the parcel will be treated as a single Parcel of Taxable Real Property for purposes of the amount of tax due, and a claim for refund may be made by the property owner pursuant to the claim procedures outline below.

An exemption may be granted on any parcel owned by one or more persons aged 65 years or older who occupies the parcel as a principal residence, upon application for exemption. Applications for such exemptions must be made and delivered to the District during the period from May 15 through June 15 (or the next regular business day thereafter) of each year the parcel tax is levied and in accordance with procedures established by the Davis Joint Unified School District Board of Education, or its designee.

An exemption may be granted on any parcel owned by one or more persons receiving Supplemental Security Income ("SSI") for disability, regardless of age, who occupies the parcel as a principal residence, upon application for exemption. Applications for such exemptions must be made and delivered to the District during the period from May 15 through June 15 (or the next regular business day thereafter) of each year the parcel tax is levied and in accordance with procedures established by the Davis Joint Unified School District Board of Education, or its designee.

Claim Procedures

With respect to all general property tax issues and billing matters within its jurisdiction, the Yolo or Solano County Tax Assessor, as applicable, or other appropriate County tax official shall make all final determinations of tax exemption or relief for any reason, and that decision shall be final and binding. With respect to matters specific to the levy of the special tax, including determination of Senior Citizen exemption, however, the decisions of the District shall be final and binding. In the latter case, a claim for a refund of the special tax shall comply with the following and any additional procedures as established by the Board:

(a) All claims shall be filed with the Superintendent of the District no later than one year after the date the tax was paid. The claimant shall file the claim within this time period and the claim shall be finally acted upon by the Board as a prerequisite to bringing suit thereon.

(b) Pursuant to Government Code section 935 (b) the claim shall be subject to the provisions of Government Code sections 945.6 and 946.

(c) The Board shall act on a timely claim within the time period required by Government Code section 912.4.

(d) The procedure described herein, and any additional procedures established by the Board, shall be the exclusive claims procedure for claimants seeking a refund, reduction, or recomputation of the special tax. Whether any particular claim is to be resolved by the District or by the County shall be determined by the District, in coordination with the County as necessary.

Appropriations Limit

Pursuant to California Constitution article XIII B and applicable laws, the appropriations limit for the District will be adjusted periodically by the aggregate sum collected by levy of this special tax.

Accountability Measures: Annual Public Meetings

The proceeds of the special tax shall be applied only to the specific purposes identified above. The proceeds of the special tax shall be deposited into a fund, which shall be kept separate and apart from other funds of the District. No later than January 1 of each year while the tax is in effect, the District shall prepare and file with the Board a report detailing the amount of funds collected and expended, and the status of any project authorized to be funded by this measure.

In addition, an independent Citizen's Oversight Committee shall be appointed by the Board of Education to ensure that the special tax proceeds collected pursuant to this measure are spent for their authorized purposes, and to report annually to the Board of Trustees and the public regarding the expenditure of such funds.

The District shall conduct, as part of its regularly scheduled Governing Board meetings, one or more annual public meetings for the purpose of: (1) presenting the annual report regarding the expenditure of the special tax proceeds, (2) considering whether to continue to levy the parcel for the upcoming tax year and the amount of the tax to be levied, and (3) considering whether to increase or change the amount of the parcel tax to be levied based on changes to the Consumer Price Index, if any, as provided for in this parcel tax

measure. Such meetings shall be scheduled, noticed, and conducted in accordance with public meeting laws and as determined by the District.

Severability

The Board hereby declares, and the voters by approving this measure concur, that every section and part of this measure has independent value, and the Board and the voters would have adopted each provision hereof regardless of every other provision hereof. Upon approval of this measure by the voters, should any part of the measure or taxing formula be found by a court of competent jurisdiction to be invalid for any reason, all remaining parts of the measure or taxing formula hereof shall remain in full force and effect to the fullest extent allowed by law.

Protection of Funding

Current law forbids any decrease in State or Federal funding to the District because of the District's adoption of a parcel tax. However, if any such funds are reduced because of the adoption of this parcel tax, then the amount of the special taxes will be reduced annually as necessary in order to restore such State or Federal funding.
