Re: Patwin School – Metal Roof Engineering Proposal

George,

Below is a proposal to provide an engineered package for bidding the roof replacement project at Patwin School.

Tremco will provide a completely engineered package to include the following:

- Roof outline and elevations
- Job specific installation details
- Installation instructions
- Complete Shop Drawings for contractor to use for ordering and submittal process
- Engineer's stamp on drawings and calculations

**Cost: \$4,500.00**

I will direct Tremco's Metal Department to start putting the plans together upon your written or verbal approval. Please call me with any questions or concerns.

Sincerely,

A handwritten signature in blue ink that reads "Don Metzger".
