Ladies and Gentlemen:

The undersigned (the "Underwriter") offers to enter into this agreement with the County of Yolo, California (the "County") and the Davis Joint Unified School District (the "District") which, upon your acceptance hereof, will be binding upon the County, the District and the Underwriter. This offer is made subject to the acceptance of the Note Purchase Agreement by the County and the District and written delivery of such acceptance to the Underwriter at or prior to 11:59 p.m., Pacific Time, on the day prior to the day of Closing, as hereinafter defined.

1. Purchase and Sale of the Notes. Upon the terms and conditions and in reliance upon the representations, warranties and agreements herein set forth, the Underwriter hereby agrees to purchase from the County and the District for reoffering to the public, and the County and the District hereby agrees to sell to the Underwriter for such purpose, all (but not less than all) of \$_____ aggregate principal amount of the District's 2009-2010 Tax and Revenue Anticipation Notes (the "Notes") issued in the name of the District by the County.

The Notes shall be dated the date of delivery thereof, which date is anticipated to be _____, 2009, shall bear interest at a rate of _____ percent (_____%) per annum, and shall mature on _____, 2010. The purchase price to be paid by the Underwriter for the Notes shall equal the par amount of the Notes (\$_____), plus an original issue premium on the Notes (\$_____), less the underwriter's discount (\$_____), making the aggregate purchase price for the Notes \$_____ .

2. **The Notes.** The Notes shall be described in, and shall be issued and secured pursuant to the provisions of Resolution No. _____ of the County adopted June 2, 2009, (the “County Resolution”) at the request of the District pursuant to Resolution No. _____ adopted May 7, 2009, (the “District Resolution”) (collectively, the “Resolutions”) and Article 7.6, Chapter 4, Part 1, Division 2, Title 5 (commencing with Section 53850) of the California Government Code (the “Act”).

3. **Security for the Notes.** The principal amount of the Notes, together with the interest thereon, shall be payable only from taxes, income, revenue, cash receipts, and other moneys that are received or accrued by the District during Fiscal Year 2009-2010, and that are available for the payment of current expenses and other obligations of the District (the “Unrestricted Revenues”). As security for the payment of the principal of and interest on the Notes, the District has pledged (a) an amount equal to twenty-five percent (25%) of the principal amount of the Notes from the Unrestricted Revenues received by the District in the month ending January 2010, (b) an amount equal to fifty percent (50%) of the principal amount of the Notes from the Unrestricted Revenues received by the District in the month ending April 2010, and (c) an amount equal to twenty-five percent (25%) of the principal amount of the Notes, plus an amount sufficient to pay interest on the Notes, from Unrestricted Revenues received by the District in the month ending May 2010 (such pledged amounts being hereinafter called the “Pledged Revenues”). The principal of the Notes and the interest thereon shall constitute a first lien and charge against and shall be payable from the first money received by the District from such Pledged Revenues, and to the extent not so paid, shall be paid from any other moneys of the District lawfully available therefor.

4. **Use of Documents.** The District hereby approves and authorizes the Underwriter to use, in connection with the offer and sale of the Notes, this Note Purchase Agreement and an Official Statement, in a form to be jointly approved by the District and the Underwriter (which, together with all appendices thereto and with such changes therein and supplements thereto consented to by the Underwriter, is herein called the “Official Statement”), the Resolutions and all information contained herein and therein and all of the documents, certificates or statements furnished by the District or the County to the Underwriter in connection with the transaction contemplated by this Note Purchase Agreement.

5. **Public Offering of the Notes.** The Underwriter agrees to make a bona fide public offering of all the Notes at the initial public offering price or yield to be set forth on the cover page of the Official Statement. A certificate is being delivered by the Underwriter in connection with the issuance of the Notes (and as a condition of closing) wherein the Underwriter states and certifies to the District that the initial reoffering price of the Notes to the general public (excluding bond houses, brokers, or similar persons or organizations acting in the capacity of underwriters or wholesalers), at which price at least ten percent (10%) of the Notes were sold (or were reasonably expected to be sold), is as set forth on the cover page of the Official Statement. Subsequent to such initial public offering, the Underwriter reserves the right to change such initial public offering price or yield as it deems necessary in connection with the marketing of the Notes.

6. **Delivery of Official Statement.** Prior to the closing, the District shall deliver to the Underwriter such reasonable number of the Official Statement (as supplemented and

amended from time to time) as the Underwriter shall reasonably request as necessary to comply with Rule 15c2-12 of the Securities and Exchange Commission under the Securities Exchange Act of 1934 (the "Rule") and with Rule G-32 and all other applicable rules of the Municipal Securities Rulemaking Board. The District agrees to deliver such Official Statement within seven (7) business days after the execution hereof. The Underwriter will not confirm the sale of any Notes unless the confirmation of sale is accompanied or preceded by the delivery of a copy of the Official Statement.

7. **Closing.** At 9:00 a.m., Pacific Time, on _____, 2009, or such other time or such other date as shall have been mutually agreed upon by the District and the Underwriter (the "Closing"), the District will deliver to the Underwriter, through the facilities of The Depository Trust Company in New York, New York, or at such other place as the District and the Underwriter may mutually agree upon, the Notes in definitive form, duly executed, together with other documents hereinafter mentioned; and the Underwriter will accept such delivery and pay the purchase price thereof in immediately available funds to the order of the County on behalf of the District. The Notes will be initially issued in the form of a separate single fully registered note. Upon initial issuance, the ownership of such Notes shall be registered in the registration books kept at the County in the name of Cede & Co., as the nominee of The Depository Trust Company. Notwithstanding anything to the contrary herein contained, if for any reason whatsoever the Notes shall not have been delivered by the District to the Underwriter prior to the close of business, Pacific Time, on _____, 2009, then the obligation to purchase Notes hereunder shall terminate and be of no further force or effect. The obligations of the District and the Underwriter under Section 14 (Expenses) shall continue in full force and effect.

8. **Representations, Warranties and Agreements of the County.** The County hereby represents, warrants and agrees with the Underwriter that:

(A) The County is a political subdivision duly organized and validly existing under the laws of the State of California, with the power to issue the Notes pursuant to the Act.

(B) At or prior to the Closing, (i) the County will have taken those actions relating to the issuance, delivery, and payment of the Notes, as requested by the District in the District Resolution and authorized by the County in the County Resolution; (ii) based on the representations and covenants of the District, the County has full legal right, power and authority to enter into this Note Purchase Agreement and to adopt the County Resolution, the County has full legal right, power and authority to issue and deliver the Notes to the Underwriter in the name of the District, and the County has full legal right, power and authority to perform its obligations under each such document or instrument, and to carry out and effectuate the transaction contemplated by this Note Purchase Agreement and the Resolutions; (iii) based on the representations and covenants of the District, the execution and delivery or adoption of, and the performance by the County of the obligations contained in the Note, the Resolutions and this Note Purchase Agreement have been duly authorized and such authorization shall be in full force and effect at the time of the Closing; (iv) this Note Purchase Agreement constitutes a valid and legally binding obligation of the County on behalf of the District; and (v) the County has

authorized the consummation by it, on the District's behalf, of all transactions contemplated by this Note Purchase Agreement.

(C) Based on the representations and covenants of the District, no consent, approval, authorization, order, filing, registration, qualification, election or referendum of or by any person, organization, court or governmental agency or public body whatsoever is required in connection with the issuance, delivery or sale of the Notes or the consummation of the other transactions effected or contemplated herein or hereby, except for such actions as may be necessary to qualify the Notes for offer and sale under the Blue Sky and or other securities laws and regulations of such states and jurisdictions of the United States as the Underwriter may designate.

(D) The issuance of the Notes, the execution, delivery and performance of this Note Purchase Agreement, the Resolutions and the Notes, and compliance with the provisions hereof do not conflict with or constitute on the part of the County a violation of or a default under the Constitution of the State of California or any other existing law, charter, ordinance, regulation, decree, order or resolution and do not conflict with or result in a violation or breach of, or constitute a default under, any agreement, indenture, mortgage, lease or other instrument to which the County is a party or by which it is bound or to which it is subject.

(E) To the best of the County's knowledge, no action, suit, proceeding, hearing or investigation is pending or threatened against the County: (i) in any way affecting the existence of the County or in any way challenging the respective powers of the several offices or the titles of the officials of the County to such offices; or (ii) seeking to restrain or enjoin the sale, issuance or delivery of any of the Notes, the application of the proceeds of the sale of the Notes, or the collection of the principal and interest on the Notes, or the pledge thereof, or in any way contesting or affecting the validity or enforceability of the Notes, this Note Purchase Agreement and the Resolutions or contesting the powers of the County or its authority with respect to the Notes, the Resolutions or this Note Purchase Agreement; or (iii) in which a final adverse decision could (a) materially adversely affect the operations of the County or the consummation of the transactions contemplated by this Note Purchase Agreement and the Resolutions, (b) declare this Note Purchase Agreement to be invalid or unenforceable in whole or in material part, or (c) adversely affect the exclusion of the interest paid on the Notes from gross income for federal income tax purposes and the exemption of such interest from California personal income taxation.

(F) Any certificates signed by any officer of the County and delivered to the Underwriter shall be deemed a representation and warranty by the County, based on the representations and covenants of the District, as the case may be, to the Underwriter as to the statements made therein but not of the person signing the same.

9. Representations, Warranties and Agreements of the District. The District hereby represents, warrants and agrees with the Underwriter that:

(A) The District is a school district duly organized and validly existing under the laws of the State of California, with the power to request the issuance of the Notes pursuant to the Act.

(B) At or prior to the Closing, (i) the District will have taken all action required to be taken by it to authorize the issuance and delivery of the Notes; (ii) the District has full legal right, power and authority to enter into this Note Purchase Agreement and to adopt the District Resolution, and the District has full legal right, power and authority to perform its obligations under each such document or instrument, and to carry out and effectuate the transaction contemplated by this Note Purchase Agreement and the District Resolution; (iii) the execution and delivery or adoption of, and the performance by the District of the obligations contained in the Notes, the Resolutions and this Note Purchase Agreement have been duly authorized and such authorization shall be in full force and effect at the time of the Closing; (iv) this Note Purchase Agreement constitutes a valid and legally binding obligation of the District; and (v) the District has authorized the consummation by it of all transactions contemplated by this Note Purchase Agreement.

(C) No consent, approval, authorization, order, filing, registration, qualification, election or referendum, of or by any person, organization, court or government agency or public body whatsoever is required in connection with the issuance, delivery or sale of the Notes or the consummation of the other transactions effected or contemplated herein or hereby, except for such actions as may be necessary to qualify the Notes for offer and sale under the Blue Sky and or other securities laws and regulations of such states and jurisdictions of the United States as the Underwriter may designate.

(D) The issuance of the Notes, the execution, delivery and performance of this Note Purchase Agreement, the Resolutions and the Notes, and compliance with the provisions hereof do not conflict with or constitute on the part of the District a violation of or default under, the Constitution of the State of California or any other existing law, charter, ordinance, regulation, decree, order or resolution and do not conflict with or result in a violation or breach of, or constitute a default under, any agreement, indenture, mortgage, lease or other instrument to which the District is a party or by which it is bound or to which it is subject.

(E) To the best of the District's knowledge, no action, suit, proceeding, hearing or investigation is pending or threatened against the District: (i) in any way affecting the existence of the District or in any way challenging the respective powers of the several offices or the titles of the officials of the District to such offices; or (ii) seeking to restrain or enjoin the sale, issuance or delivery of the Notes, the application of the proceeds of the sale of the Notes, or the collection of the revenue or assets of the District pledged or available to pay the principal and interest on the Notes, or the Pledge thereof, or in any way contesting or affecting the validity or enforceability of the Notes,

this Note Purchase Agreement or the Resolutions or contesting the powers of the District or its authority with respect to the Notes, the Resolutions or this Note Purchase Agreement; or (iii) in which a final adverse decision could (a) materially adversely affect the operations of the District or the consummation of the transactions contemplated by this Note Purchase Agreement and the Resolutions, (b) declare this Note Purchase Agreement to be invalid or unenforceable in whole or in material part, or (c) adversely affect the exclusion of the interest paid on the Notes from gross income for federal income tax purposes and the exemption of such interest from California personal income taxation.

(F) Between the date hereof and the date of the Closing, the District has not, without prior written consent of the Underwriter, borrowed any additional moneys except for such borrowings as may be described in or contemplated by the Official Statement.

(G) The District has not been notified of any listing or proposed listing by the Internal Revenue Service to the effect that the District is a bond issuer whose arbitrage certificates may not be relied upon.

(H) Any certificates signed by any officer of the District and delivered to the Underwriter shall be deemed a representation and warranty by the District, as the case may be, to the Underwriter as to the statements made therein but not of the person signing the same.

10. Covenants of the District. The District covenants and agrees with the Underwriter that:

(A) The District will furnish such information, execute such instruments, and take such action in cooperation with the Underwriter if and as the Underwriter may reasonably request in order to qualify the Notes for offer or sale under the Blue Sky or other securities laws and regulations or such states and jurisdictions, provided, however, that the District shall not be required to consent to process in any jurisdiction;

(B) The District will apply the proceeds from the sale of the Notes for the purposes specified in the Resolutions; and

(C) For a period of 90 days after the Closing or until such time (if earlier) as the Underwriter shall no longer hold any of the Notes for sale, the District will adopt any amendment of or supplement to the Official Statement if any event relating to or affecting the District shall occur as a result of which it is necessary to amend or supplement the Official Statement in order to make the Official Statement not misleading in light of the circumstances existing at the time it is delivered to the purchaser. Any information supplied by the District for inclusion in any amendment or supplement to the Official Statement will amend or supplement the Official Statement so that it will not contain an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in light of the circumstances existing at the time the Official Statement is delivered to a purchaser, not misleading.

11. Conditions and Closing. The Underwriter has entered into this Note Purchase Agreement in reliance upon the representations and warranties of the County and the District contained herein and the performance by the District of its obligations hereunder, both as of the date hereof and as of the date of Closing. The Underwriter's obligations under this Note Purchase Agreement are and shall be subject, at the option of the Underwriter, to the following further conditions at the Closing:

(A) The representations and warranties of the County and the District contained herein shall be true, complete and correct in all material respects as of the date hereof and as of the date of Closing, as if made at and as of the Closing, and the statements made in all certificates and other documents delivered to the Underwriter at the Closing pursuant hereto shall be true, complete and correct in all material respects on the date of the Closing; and the County and the District shall be in compliance with each of the agreements made by it in this Note Purchase Agreement.

(B) At the time of the Closing, (i) the Official Statement, this Note Purchase Agreement and the Resolutions shall be in full force and effect and shall not have been amended, modified or supplemented except as may have been agreed to in writing by the Underwriter; (ii) all actions under the Act which, in the opinion of the firm of Kronick, Moskovitz, Tiedemann & Girard, a Professional Corporation, bond counsel ("Bond Counsel"), shall be necessary in connection with the transactions contemplated hereby, shall have been duly taken and shall be in full force and effect; and, (iii) the County and the District shall perform or have performed all of their obligations required under or specified in the Resolutions, the Note Purchase Agreement or the Official Statement to be performed at or prior to the Closing.

(C) No decision, ruling or finding shall have been entered by any court or governmental authority since the date of this Note Purchase Agreement (and not reversed on appeal or otherwise set aside), or to the best knowledge of the County and the District, pending or threatened or contesting in any way the completeness or accuracy of the Official Statement.

(D) No order, decree or injunction of any court of competent jurisdiction, nor any order, ruling or regulation of the Securities and Exchange Commission, shall have been issued or made with the purpose or effect of prohibiting the issuance, offering or sale of the Notes as contemplated hereby and no legislation shall have enacted, or a bill favorably reported for adoption, or a decision by a court established under Article III of the Constitution of the United States rendered, or a ruling, regulation, proposed regulation or official statement by or on behalf of the Securities and Exchange Commission or other governmental agency having jurisdiction of the subject matter shall be made or issued, to the effect that the Notes or any securities of the County or of any similar body of the type contemplated herein are not exempt from the registration, qualification or other requirements of the Securities Act of 1933, as amended and as then in effect, or the Trustee Indenture Act of 1939, as amended and as then in effect.

(E) At or prior to the date of the Closing, the Underwriter shall receive one copy of the following documents in each case dated as of the Closing Date and satisfactory in form and substance to the Underwriter:

(1) An approving opinion of Bond Counsel as to the Notes, addressed to the District.

(2) A letter setting forth that the Underwriter can rely upon the approving opinion of Bond Counsel.

(3) A certificate signed by appropriate officials of the District to the effect that (i) there is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court or public body, pending, or to his or her knowledge, threatened against the District or contesting in any way the completeness or accuracy of the Official Statement (but in lieu of or in conjunction with such certification the Underwriter may, at its sole discretion, accept certificates, opinions of the District Counsel or Bond Counsel, that in their opinion the issues raised in any such pending or threatened litigation are without substance and that the contentions of all plaintiffs therein are without merit); and (ii) such official has reviewed the Official Statement and on such basis certifies that the Official Statement does not contain any untrue statement of a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances in which they are made, not misleading.

(4) A certificate signed by appropriate officials of the County and the District to the effect that (i) the representation, agreements and warranties of the County and the District herein are true and correct in all material respects as of the date of Closing, and (ii) the County and the District have complied with all the terms of the Resolutions and this Note Purchase Agreement to be complied with by the Closing and such documents are in full force and effect.

(5) A non-arbitrage certificate of the District in form satisfactory to Bond Counsel.

(6) Evidence satisfactory to the Underwriter that the Notes shall have been rated “_____” by Standard & Poor’s Ratings Group (or such other equivalent rating as such rating agency may give) and that such rating has not been revoked or downgraded.

(7) Certificates, together with fully executed copies of the Resolutions, of the District Secretary of the Board of Education and the County Clerk of the Board of Supervisors to the effect that:

(i) such copies are true and correct copies of the Resolutions;
and

(ii) that the Resolutions were duly adopted and have not been modified, amended rescinded or revoked and are in full force and effect on the date of the Closing.

(8) Such additional legal opinion, certificates, proceedings, instruments and other documents as the Underwriter may reasonably request to evidence compliance (i) by the County and the District with legal requirements; (ii) the truth and accuracy, as of the time of Closing, of the representations of the County and the District herein contained and the District's representations in the Official Statement; and, (iii) the due performance or satisfaction by the County and the District at or prior to such time of all agreements then to be performed and all conditions then to be satisfied by the District.

12. Termination. If the County and/or the District shall be unable to reasonably satisfy the conditions requested by the Underwriter to evidence compliance with the terms and conditions set forth in this Note Purchase Agreement, the Underwriter's obligations for the purchase of the Notes shall be terminated for any reason permitted by this Note Purchase Agreement, and this Note Purchase Agreement may be canceled by the Underwriter at, or at any time prior to, the time of Closing. Notice of such cancellation shall be given to the County and the District in writing, or by telephone or telegraph confirmed in writing. Notwithstanding any provision herein to the contrary, the performance of any and all obligations of the County and the District hereunder and the performance of any and all conditions contained herein for the benefit of the Underwriter may be waived by the Underwriter in writing at its sole discretion.

The Underwriter shall also have the right to cancel its obligation to purchase the Notes, by written notice to the County and the District, if between the date hereof and the Closing: (i) any event occurs or information becomes known, which, in the reasonable professional judgment of the Underwriter, makes untrue any statement of a material fact set forth in the Official Statement or results in an omission to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading; (ii) the market for the Notes or the market price of the Notes or the ability of the Underwriter to enforce contracts for the sale of the Notes shall have been materially and adversely affected, in the reasonable professional judgment of the Underwriter, by (a) legislation enacted by the Congress of the United States, or passed by either House of Congress, or favorably reported for passage to either House of Congress by any Committee of such House to which such legislation has been referred for consideration, or by the legislature of the State of California (the "State"), or introduced in the Congress or recommended for passage by the President of the United States, or a decision rendered by a court of the United States or the State or by the United States Tax Court, or a ruling, order, or regulation (final, or temporary, or proposed) or official statement issued or made by or on behalf of the Treasury Department of the United States or the Internal Revenue Service or other federal or State authority, which would have the effect of changing, directly or indirectly, the federal income tax consequences or State tax consequences of interest on obligations of the general character of the Notes in the hands of the holders thereof, or (b) any new outbreak of hostilities or other national or international calamity or crisis, the effect of such outbreak on the financial markets of the United States being such that, in the judgment of the Underwriter, would affect materially and adversely the ability of the Underwriter to market the Notes, or (c) a general suspension of trading on the New York Stock Exchange, or fixing of

minimum or maximum prices for trading or maximum ranges for prices for securities on the New York Stock Exchange, whether by virtue of a determination by that Exchange or by order of the Securities and Exchange Commission or any other governmental authority having jurisdiction, or (d) a general banking moratorium declared by either federal or State authorities having jurisdiction; or (iii) additional material restrictions not in force or being enforced as of the date hereof shall have been imposed upon trading in securities generally by any governmental authority or by any national securities exchange which, in the opinion of the Underwriter, materially adversely affect the market price for the Notes.

13. Conditions to Obligations of the County and the District. The performance by the County and the District of their obligations is conditioned upon (i) the performance by the Underwriter of its obligations hereunder; and (ii) receipt by the District and the Underwriter of opinions and certificates being delivered at the Closing by persons and entities other than the County and the District.

14. Nonliability of the County. Notwithstanding anything to the contrary contained in the Resolution, in the Notes or in any other document mentioned herein, neither the County nor the Board shall have any liability in connection with the transactions contemplated thereby and the Notes shall be payable solely from the moneys of the District available therefore as set forth in the Resolutions. The District has agreed to indemnify and hold harmless, to the extent permitted by law, the County and its officers and employees (the “Indemnified Parties”), against any and all losses, claims, damages or liabilities, joint or several, to which such Indemnified Parties may become subject, because of action or inaction related to the Notes. The District has also agreed to reimburse the Indemnified Parties for any legal or other expenses incurred in connection with investigating or defending any such claims or actions.

15. Expenses. The District shall pay the expenses incident to the performance of its obligations hereunder from the proceeds of the Notes (or from any other source of available funds of the District) which expenses include and are limited to: (i) the cost of the preparation and reproduction of the Resolutions; (ii) the fees and costs of the County; (iii) the fees and disbursements of Bond Counsel; (iv) the fees and disbursements of Financial Advisor; (v) the costs of the preparation, printing and delivery of the Notes; (vi) the costs of the preparation, printing and delivery of the Official Statement and any amendment or supplement thereto in the quantity requested by the Underwriter; (vii) the fees of rating agency; and (viii) the fees and expenses of the Paying Agent.

All other costs and expenses incurred by the Underwriter as a result of or in connection with the purchase of the Notes shall be borne by the Underwriter, including, but not limited to: (i) clearing house fees; (ii) DTC fees; (iii) CUSIP fees; (iv) CDIAC fees; (v) PSA fees; (vi) MSRB fees; and (vii) costs or fees of qualifying the Notes for offer and sale in various states chosen by the Underwriter and the costs or fees of preparing Blue Sky or legal investment memoranda to be used in connection therewith.

16. Notices. Any notice or other communication to be given under this Note Purchase Agreement (other than the acceptance hereof as specified in the first paragraph hereof) may be given by delivering the same in writing if to the County, to the County Treasurer-Tax

Collector of the County of Yolo; if to the District, to the Superintendent; or if to the Underwriter to:

17. Parties in Interest; Survival of Representations and Warranties. This Note Purchase Agreement when accepted by the District in writing as heretofore specified shall constitute the entire agreement among the County, the District and the Underwriter. This Note Purchase Agreement is made solely for the benefit of the County, the District and the Underwriter (including the successors or assigns of the Underwriter). No person shall acquire or have any rights hereunder or by virtue hereof. All the representations, warranties and agreements of the County and the District in this Note Purchase Agreement shall survive regardless of (a) any investigation or any statement in respect thereof made by or on behalf of the Underwriter, (b) delivery of and payment by the Underwriters for the Notes hereunder, and (c) any termination of this Note Purchase Agreement.

18. Execution in Counterparts. This Note Purchase Agreement may be executed in several counterparts each of which shall be regarded as an original and all of which shall constitute one and the same document.
