

SUPERINTENDENT'S CTE/STE²M ADVISORY COMMITTEE UPDATE

FEBRUARY 4, 2016

OBJECTIVES 1-3

- **Recommendation for Qualifying Davis Senior High School as a National STEM School**
- **Recommendations for Integrating STEAM thinking across the school curriculum.**
- **Recommendation for increasing student interest and participation in CTE/STEAM² courses**

OBJECTIVES 4-6

- Recommendations for designing, developing and expanding CTE/STEAM² pathways and offerings at Davis Senior High School
- Recommendations for building a CTE/STEAM² community support network for students and teachers
- Recommendations for seeking CTE/STEAM² related internship opportunities for students

RECOMMENDATIONS

- Provide targeted professional growth and additional opportunities for curriculum articulation.
- Increase Career Technical Education Coordinator time by 0.2 FTE, in addition to the current 0.2 FTE already supported by the Local Control Accountability Plan.
- Explore funding for an Internship Coordinator position, using existing staffing, as we develop the master schedule.
