**MEMORANDUM OF UNDERSTANDING AND AGREEMENT**  
**TO PROVIDE STUDENT TEACHER PLACEMENTS TO UNIVERSITY STUDENTS**

This agreement is between the Davis Joint Unified School District ("District") and the California State University ("University"), who may be referred to collectively as the parties. This Agreement describes and confirms the expectations and responsibilities of the Parties regarding the Internship Program through which University students enrolled in a credentialing program ("Student Teachers") will gain experience in the public school setting.

**TERM OF AGREEMENT:**

This Agreement shall remain in effect for a term of 5 years beginning July 1, 2016 and ending June 30, 2021, unless terminated sooner. Either party may terminate this Agreement on 30 days' written notice to the other party; provided, however, that credential candidates shall be allowed to conclude any ongoing assignments. Performance under this Agreement shall be reviewed annually, and the parties may agree to annual extensions after expiration of the initial term.

**DISTRICT AND SCHOOL ADMINISTRATOR RESPONSIBILITIES**

1. The District will provide the Student Teachers with supervised internship experience. The District's Designated Supervisor(s) will hold an appropriate degree, credential or license in the specified field, if any is required for that field, and at least five years' experience in that field. The Supervisor will provide the Student Teacher with at least two hours of face-to-face supervision per week for the duration of the internship. Supervision may be shared among more than one qualified District staff member.
2. The District will designate a member of its staff to participate with the University's designee in planning, implementing, and coordinating the Internship Program.
3. The District will maintain complete records and reports on each Student Teacher's performance and provide an evaluation to the University on forms the University shall provide.
4. The District may, in its sole discretion, refuse to accept as a participant in the Internship Program any University student assigned to participate, and, upon request of the District, University shall withdraw the assignment of any University student participant.
5. After the District accepts the assignment of a Student Teacher, the District may terminate the internship for "good cause." "Good cause" may include, but is not limited to failure to perform satisfactorily, refusal to follow District administrative policies, procedures, rules and regulations, or violation of any federal or state law. The District will immediately notify University in writing if it terminates an assignment. The District reserves the right to ban anyone from District facilities when the District finds, in its sole discretion that the presence of the person poses a threat or disrupts operations. University is responsible for informing its student participants of the provisions of this Section. District will immediately notify University, if District knows or suspects any professional or ethical or legal violations. University will cooperate with District in any investigation concerning the reported violation.
6. District shall, on any day when a Student Teacher is receiving training at its facilities, arrange for the Student Teacher to receive any necessary emergency health care or first aid for accidents occurring in its facilities. Except as provided in this paragraph, District shall have no obligation to furnish medical care, surgical care or other health care to any Student Teacher.

University and District agree they will cooperate in any investigation concerning the reported violation.
4. University will guarantee that Student Teachers and university supervisors have appropriate tuberculosis and fingerprinting clearance, including subsequent arrest notification service.
5. University will instruct Student Teachers in state laws regarding child abuse reporting, sexual harassment and professional conduct.
6. University supervisors will conduct systematic and regular observations of Student Teachers' performance in the District's classrooms.
7. University will be responsible for ensuring that Student Teachers have appropriate insurance coverage.

## STUDENT TEACH RESPONSIBILITIES

The parties expressly understand and agree that all University students serving as Student Teachers in District schools pursuant to this Agreement are doing so for educational purposes only, and Student Teachers are not considered employees of the District for any purpose, including, but not limited to, compensation for services, welfare and pension benefits, or workers' compensation insurance. It is the responsibility of University to provide notice to its student participants of the provision of this Section. The provisions of this Section shall survive the termination or expiration of this Agreement.

## LIABILITY INSURANCE & WORKERS' COMPENSATION

Further, University shall provide written notice that should any of the above described policies be cancelled before the expiration thereof, notice will be delivered in accordance with the policy provisions. University shall provide certificates evidencing all coverage referred to in this Section within thirty (30) days of execution of this Agreement and thereafter, on an annual basis. If the coverage is on a claims-made basis, University hereby agrees that not less than thirty (30) days prior to the effective date of termination of University's current insurance coverage or termination of this Agreement, University shall either purchase three (3) year tail coverage per claim or provide proof of continuous coverage in the above stated amounts for all claims arising out of incidents occurring prior to termination of University's current coverage or prior to termination of this Agreement, as applicable, and provide District a certificate of insurance evidencing such coverage.

The University is permissibly self-insured through the State of California for automobile liability.

The District shall be named as an additional insured or covered party on the liability coverages maintained by the University set forth above, and such coverages shall be primary to any coverages maintained by the District. Limits of liability for each type of liability coverage shall be at least \$1 million per claim per occurrence/ \$2 million aggregate.

## NO WORKER'S COMPENSATION LIABILITY

The Parties agree that the District is not to assume, nor shall it assume by this Agreement any liability under the California Workers' Compensation Insurance and Safety Act for, by or on behalf of any Student Teacher or University employees while they are on the premises of the District or while performing any duty whatsoever under the terms of the Agreement or while going to or from any of the internship placement sites. University shall provide written notice to each Student Teacher regarding the lack of coverage of Workers' Compensation insurance by the District.

4. In the event of a dispute between the parties arising from this Agreement, the parties agree to mediate the dispute before initiating litigation. The Parties agree that with regard to any dispute or claim related to this Agreement, prior to the initiation of a lawsuit or other legal action, they shall and must, in good faith, submit the claim or dispute to mediation with any mutually agreeable neutral. The costs of the neutral will be split equally between the Parties.
