CALIFORNIA DEPARTMENT OF EDUCATION
SPECIFIC WAIVER REQUEST
 SW-1 (Rev. 10-2-2009)

6. Education Code or California Code of Regulations section to be waived. Use a strike-out key if only portions of sections are to be waived).

EC 52852 A schoolsite council shall be established at each school which participates in school-based program coordination. The council shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school.

7. Desired outcome/rationale. State what you hope to accomplish with the waiver. Describe briefly the circumstances that brought about the request and why the waiver is necessary to achieve improved student performance and/or streamline or facilitate local agency operations. (Attach additional pages if necessary.)

This waiver will allow a reduction in the number of teachers that will be required to serve on the School Site Council. King Continuation High School is a 10th-12th grade school with 6 teachers, making the Site council membership requirement of representation by four teachers difficult to meet. The site proposes representation by two teachers instead of the required four teachers, and a subsequent reduction in the number of both students and parents from three to two for the maintenance of parity between school and community representation in the oversight of the school's programs and budget.

8. Demographic Information:
King Continuation High School has a student population of 70 students and is located at 635 B Street in central Davis in Yolo County.

Is this waiver associated with an apportionment related audit penalty? (per EC 41344) ☒ No ☐ Yes

 (If yes, please attach explanation or copy of CCR finding)
