| <p>6. Education Code or California Code of Regulations section to be waived. Use a strike-out key if only portions of sections are to be waived).</p> <p>52852. A school site council shall be established at each school which participates in school-based program coordination. The council shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents.</p> <p>At the elementary level the council shall be constituted to ensure parity between (a) the principal, classroom teachers and other school personnel; and (b) parents or other community members selected by parents.</p> <p>At both the elementary and secondary levels, classroom teachers shall comprise the majority of persons represented under category (a).</p> | | |

The functioning School Site council will retain equity between staff and parents, thus providing appropriate oversight of the school's programs and budget.</p> | | |
