

STEEL INSPECTORS OF TEXAS, INC

Date: September 23, 2016

George Parker – Director of Facilities, Maintenance and Operations
Davis Joint Unified School District
526 B Street
Davis, CA 95616

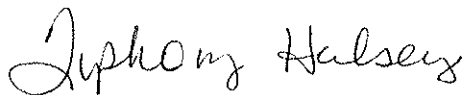

**RE: COST PROPOSAL FOR THE IN-PLANT WELDING INSPECTION ON THE DAVIS
SENIOR HIGH SCHOOL VISITORS BLEACHERS**

Mr. Wendell Cook of Sturdisteel, Waco, Texas, stated that the shop welding on the bleachers should take ten days(10 days). We propose to do these shop inspections not to exceed \$7,000.00. This cost includes travel time, mileage (200 miles round trip), inspection and report time. Cost could be less but will not exceed this amount.

\$700.00 per day. (\$50.00 per hour, no additional charge for OT, mileage, etc).

If you have any questions please do not hesitate to call my office 817-246-8096.

Thanks

Tiphony Hulsey

SPECIAL INSPECTOR QUALIFICATION AND APPROVAL

This form must be completed by a Special Inspector who contracts individually and directly with the School Board. It shall be signed and dated by the Special Inspector, School District/Owner, Design Professional in General Responsible Charge, and Structural Engineer (when applicable) prior to submission to DSA. Completed, signed form shall be submitted in advance to the DSA by the Design Professional in General Responsible Charge to ensure DSA approval of special inspector prior to start of work requiring special inspection, per CCR, Part 1, Section 4-335(c) 1B.

Special Inspectors employed by the Laboratory of Record (LOR) do not file this form.

1. PROJECT INFORMATION (To be completed by Design Professional.)

6. AFFIDAVIT OF DESIGN PROFESSIONAL IN GENERAL RESPONSIBLE CHARGE

I find the Special Inspector named on this form to be suitably qualified and satisfactory to perform special inspection on this project. Per CCR Part 1, Section 4-335(f) 1B, I have personally verified this individual possesses the training, education, experience, and certification necessary to perform the special inspection indicated above. I will monitor the Special Inspector's activities to assure his/her work is performed in accordance with the requirements of the DSA approved construction documents, and applicable codes and standards. I will verify that the Special Inspector properly documents his/her activities and that reports are distributed as required.

My assessment is based on: ☐ Interview: (Date of interview.) _____ OR ☐ Prior Professional Relationship.

Signature: _____ Print Name: _____ Date: _____

7. AFFIDAVIT OF STRUCTURAL ENGINEER

(Complete when structural work is delegated to Structural Engineer on line 25a of form DSA 1.)

I find the Special Inspector named on this form to be suitably qualified and satisfactory to perform inspection on this project. Per CCR Part 1, Section 4-335(f) 1B, I have personally verified this individual possesses the training, education, experience, and certification necessary to perform the special inspection indicated above. I will monitor the Special Inspector's activities to assure his/her work is performed in accordance with the requirements of the DSA approved construction documents, and applicable codes and standards. I will also verify that the Special Inspector properly documents all his/her activities and that reports are distributed as required by code.

My assessment is based on: ☐ Interview: (Date of interview.) _____ OR ☐ Prior Professional Relationship.
