Classroom tech gives teachers what's needed most: More time

Children's classrooms are fast becoming high-tech hubs. New education tech applications are changing what teachers can do, who they can reach and how much power they take back from a standardized system. Others strive to give teachers a precious gift: time.

Clever is also gaining ground at a time when many districts use legacy student information databases that were not designed to integrate directly with dozens of learning apps or allow students to access them through a single portal. "It's a barrier to learning," said Mr. Bosmeny. "Our goal is to open up access as quickly as we can."

Clever General Terms of Use

Effective Date: May 4, 2016

Welcome to Clever! We're delighted to have you on our website and maybe even using our service (the "Services"). Please continue reading to learn about the terms by which you may use our Services. If you have questions about this Agreement, please contact us at support@clever.com.

These General Terms of Use (the "Agreement") applies to all schools, school districts, and related entities and organizations that sign up to use the Services, including but not limited to administrators who access the Services on their behalf (each a "School"), as well as all non-School visitors, users, and others, including students, teachers, and their parents, who use the Services (such individuals and Schools, collectively, "Users" or "you"). If you're a School, our Additional Terms of Use for Schools apply to you too.

By accessing or using the Services, checking the box marked ["I Agree"], or by otherwise affirmatively stating your desire to use the Services, you signify that you have read, understood, and agree to be bound by this Agreement and to the collection and use of your information as set forth in the Clever Privacy Policy, otherwise you may not use the Services. Because our Services change relatively often, the terms in this Agreement and our Privacy Policy may change too. If you are School using the Service, we will notify you via email in advance of any material changes to the terms. Upon making changes, we will update the "Effective Date" found at the top of this page. Your continued use of the Services after any changes constitutes your acceptance of the new terms.

SECTION 1. WHAT ARE CLEVER'S SERVICES AND WHO CAN USE THEM?

What do we do? We provide Schools both data integration and single sign-on functionality, making it easier for Schools to choose, deploy, and control third party software applications ("Developers") used by their teachers and students.

You're allowed to use the Services only if you can form a binding contract with Clever, and only in compliance with this Agreement and all applicable local, state, national, and international laws, rules and regulations. If you've been removed from the Services previously, you're not allowed to use them again.

Subject to the terms and conditions of this Agreement, we grant you a non-exclusive, limited, non-transferable, freely revocable license to use the Services. We reserve all rights not expressly granted to you in the Services and the Clever Content (as defined below). We may terminate this license at any time for any or no reason.

i) DETAILS ABOUT THE CLEVER SERVICES

Your Clever account gives you access to our Services, but don't sign up on behalf of a School if you do not have the requisite authority to do so. Once you sign up, you are responsible for your account and any data associated with it.

Your Clever account gives you access to the services and functionality we make available from time to time and at our discretion, which may include single sign-on capability for certain third-party Applications using your Clever account. We maintain different types of accounts for different types of Users. If you open a Clever account on behalf of a School, then (a) "you" includes you and that entity, and (b) you represent and warrant that you are an authorized representative of the entity with the authority to bind the entity to this Agreement and that you agree to this Agreement on the entity's behalf.

Remember: you are responsible for any activity that occurs on your account, you may never use someone else's account without permission, and you must keep your account password secure. We recommend using "strong" passwords (passwords that use a combination of upper and lower case letters, numbers and symbols) with your account to avoid unauthorized use. Please let us know immediately if you think your account's security has been compromised so we can help; we are not liable for any losses of any kind caused by any unauthorized use of your account.

ii) WHAT CONTROL DO I HAVE OVER MY USE OF THE SERVICES?

You may control your profile and how you interact with the Services by changing the settings in your settings page. By providing your email address to us you consent to our using the email address to send you Services-related notices, including any required legal notices and other messages, such as additions or changes to the Services and/or notices of product offers. You may opt out or change your preferences in your settings page. While we need your email address to send you important Services-related notices, you can always ask us to stop sending you certain marketing messages. Opting out may prevent you from receiving email messages regarding updates, improvements, or offers.

iii) RESTRICTED USES

Please don't do anything to harm our product or try to hack our service. Specifically, by using the Services, you agree not to do any of these things: (i) copy, distribute, or disclose any part of the Services in any medium, including but not limited to by any automated or non-

action that imposes, or may impose an unreasonable or disproportionately large load on our infrastructure; (vi) upload invalid data, viruses, worms, or other software agents through the Services; (vii) collect or harvest any third-party personally identifiable information, including account names or Student Data (as defined below), from the Services; (viii) use the Services for any commercial solicitation purposes; (ix) impersonate another person or otherwise misrepresenting your affiliation with a person or entity, conducting fraud, hiding or attempting to hide your identity; (x) interfere with the proper working of the Services; (xi) access any content on the Services through any technology or means other than those provided or authorized by the Services; or (xii) bypass the measures we use to prevent or restrict access to the Services, including but not limited to features that prevent or restrict use or copying of any content or enforce limitations on use of the Services or related content.

We continually update our Services to offer the best possible product. While we plan to continue to offer and improve our Services, we may, without prior notice, change, cancel, create usage limits for, or permanently or temporarily stop offering or allowing you access to the Services generally ("Service Changes"). While we'll try to give you advance notice of Service Changes that will adversely affect you, this might not be practical or possible and we retain the right to make Service Changes without notice and liability for any reason. If this Agreement ends you continue to be bound by it in any interactions you may have with the Services.

You are fully responsible for your interactions with other Users, and we have no liability for your interactions with any other Users, or for any User's actions or inactions with respect to you.

SECTION 2. RIGHTS IN OUR CONTENT

"Student Data" is any information (in any format) that is directly related to any identifiable current or former student that is maintained by a School, and may include "educational records" as defined by the Family Educational Rights and Privacy Act ("FERPA"). While we may need to access Student Data to provide the Services to you, between us, you own the Student Data and remain responsible for it. Our Additional Terms of Use for Schools and Privacy Policy provide more detail around how we handle Student Data.

"Intellectual Property Rights" means all worldwide patent rights, copyright rights, moral rights, rights of publicity, trademark, trade dress and service mark rights, goodwill, trade secret rights and other intellectual property rights as may now exist or hereafter come into existence, and all related applications and registrations, renewals and extensions.

Except for Student Data, the Services and all materials made available to you in connection with them, including, but not limited to, software, images, text, graphics, illustrations, logos, patents, trademarks, service marks, copyrights, photographs, audio, videos, music, and any content belonging to other Users (the "Clever Content"), and all related Intellectual Property Rights, are the exclusive property of Clever and its licensors. Except as specified in this Agreement, nothing may be deemed to create a license in or under any such Intellectual Property Rights, and you agree not to sell, license, rent, modify, distribute, copy, reproduce, transmit, publicly display, publicly perform, publish, adapt, edit or create derivative works from any Clever Content. *To be clear: any use of the Clever Content for a purpose not expressly permitted by this Agreement is strictly prohibited.*

If you send us ideas or comments about our Services, you agree that we may freely use or reference those ideas and comments and we do not owe you any payment or have any other obligation of any kind for such ideas or comments.

SECTION 3. GENERAL LEGAL TERMS

i) CLEVER DATA

Certain parts of the Services may allow you to obtain or access analytics or other data or information associated with your account ("Clever Data"). Clever Data is licensed to you for your use on a limited basis, and is governed solely by the terms of this Agreement and available for distribution only at our sole discretion. Clever owns the account you use to access the Services along with any rights of access or rights to data stored by or on behalf of Clever on Clever servers (except with respect to any Student Data that we may be storing for you), including but not limited to any data representing any or all of your Clever Data. Clever has the right to manage, control and even eliminate Clever Data, except that Clever may only use Student Data as specifically permitted by this Agreement.

This next sentence is in all caps because it's important: YOU UNDERSTAND AND AGREE THAT ANY DATA, ACCOUNT HISTORY AND ACCOUNT CONTENT RESIDING ON CLEVER'S SERVERS MAY BE DELETED AT ANY TIME FOR ANY REASON IN CLEVER'S SOLE DISCRETION, WITH OR WITHOUT NOTICE AND WITH NO LIABILITY OF ANY KIND. WE DO NOT PROVIDE OR GUARANTEE, AND EXPRESSLY DISCLAIM, ANY VALUE, CASH OR OTHERWISE, ATTRIBUTED TO ANY DATA RESIDING ON CLEVER'S SERVERS.

IMPORTANT: If you're a School, you should be absolutely sure to keep secure copies of Student Data in your student information system ("SIS") or in other secure storage. You should not rely on us to provide copies of or access to your Student Data.

ii) PRIVACY AND SECURITY

We take very seriously the privacy of our users, including schools, teachers, parents, and students. By using the Services you consent to the collection, use and disclosure of your information (including but not limited to Student Data) as set forth in our Privacy Policy and, if you're a School, in the Additional Terms of Use for Schools, and to have your information (including but not limited to Student Data) collected, used, transferred to and processed in the United States pursuant to our Privacy Policy.

iii) THIRD-PARTY SERVICES

Terms of Use for Schools, and our Privacy Policy do not apply to your use of those sites or services—those sites and services have their own applicable terms and policies. Additionally, your dealings with Developers found on the Services, including payment and any other terms (such as warranties or privacy policies) are only between you and such Developers. We are not responsible for any loss or damage of any sort relating to your dealings with such Developers.

iv) INDEMNITY

You agree to defend, indemnify and hold harmless Clever and its subsidiaries, agents, licensors, managers, and other affiliated companies, and their employees, contractors, agents, officers and directors, from and against any and all claims, damages, obligations, losses, liabilities, costs or debt, and expenses (including but not limited to attorney's fees) arising from: (i) your use of and access to the Services, including any data or content transmitted or received by you; (ii) your violation of any term of this Agreement, including but not limited to your breach of any of the representations and warranties above; (iii) your violation of any third-party right, including but not limited to any right of privacy or intellectual property rights; (iv) your violation of any applicable law, rule or regulation, including but not limited to COPPA; (v) any content or information that is submitted via your account; or (vi) any other party's access and use of the Services with your unique username, password or other appropriate security code.

v) WARRANTY DISCLAIMER

These next few sections are in all caps so we can be sure we have your attention. Again, please feel free to contact us at support@clever.com if any of this is unclear or if you have any questions about what these sections mean.

Clever Additional Terms of Use for Schools

Effective Date: April 23, 2015

Welcome to Clever's Additional Terms of Use for Schools (the "Additional Terms"). If you are a School, please also review our General Terms of Use and our Privacy Policy. If you're not a School (as defined in the General Terms of Use), these Additional Terms do not apply to you.

Capitalized terms that are not defined below have the definitions given them in the General Terms of Use.

By using the Services, you authorize us to access your SIS or receive Student Data or other information via SIS, Secure File Transfer Protocol ("SFTP"), or any other secure transfer method to provide you software integration services.

SECTION 1. KEEPING YOUR STUDENT DATA CONFIDENTIAL (THIS IS VERY IMPORTANT TO US) AND COMPLYING WITH APPLICABLE LAWS

We treat your Student Data as confidential and do not knowingly share it with third parties other than as described in Section 2(B) and in the General Terms of Use and our Privacy Policy.

Both parties agree to uphold their responsibilities under the Family Educational Rights and Privacy Act ("FERPA"), the Protection of Pupil Rights Amendment ("PPRA"), and the Children's Online Privacy and Protection Act ("COPPA"). We provide the Services under the school official exception of FERPA 34 CFR Part 99.31(a)(1). The Children's Online Privacy and Protection Act ("COPPA") requires that online service providers obtain clear and verifiable parental consent before collecting personal information from children under 13. You represent and warrant that you have received consent from parents, or have the authority to provide consent on behalf of parents, for us to collect information from students before allowing children under 13 to access our Services. We recommend that all Schools provide appropriate disclosures to students and parents regarding their use of service providers such as Clever and that they provide a copy of our Privacy Policy to parents and guardians.

SECTION 2. AUTHORIZATION TO ACCESS YOUR STUDENT DATA

A. OUR ACCESS

You authorize us to access Student Data and will provide a way for us access the information stored in your SIS. We will access and process Student Data only in order to provide the Services. As between us, you own all right, title and interest to all Student Data, you are (and other Schools are) solely responsible for any and all Student Data, whether provided by you, students, or others, and we do not own, control, or license Student Data, except to provide the Services.

B. THIRD PARTY ACCESS

You may designate one or more third-party Developers to securely access Student Data via our API. We will not send Student Data to a Developer unless explicitly authorized by you. You acknowledge that we are not responsible for the data practices of third party Developers, and that, as between us, you are solely responsible for the consequences of providing or transmitting Student Data to such Developers, or authorizing those Developers to access Student Data through the Services. At any time, you can revoke any Developer's ongoing access to Student Data via the API by contacting us at support@clever.com.

We provide access to Student Data only to those employees and certain trusted service providers who have a legitimate need to access such information in connection with providing the Services to you. Of course, anyone involved in the handling of Student Data will treat such data as strictly confidential and shall not redisclose such data except as necessary in order to provide the Services. We will maintain access log(s) that record all disclosures of or access to Student Data within our possession and will provide copies of those access log(s) to you on your request.

C. OTHER ACCESS

Student Data is controlled by Schools, and we cannot permit anyone else to delete or control Student Data or to transfer such content, or allow access to Student Data by parents or legal guardians; as such, we refer any data access requests to the applicable School.

Section 3. HOW WE USE YOUR STUDENT DATA

A. IN GENERAL

rights under these Additional Terms and our General Terms of Use. Subject to the Paragraph B below, we will not use the Student Data for any purpose except as explicitly authorized by these Additional Terms and our General Terms of Use. *For clarity and without limitation, we will not use Student Data to engage in targeted advertising.*

B. ANONYMIZED DATA

You agree that we may collect and use data derived from Student Data, including data about any Users' access and use of the Services, that has been anonymized, aggregated, or otherwise de-identified such that the data cannot reasonably identify a particular student, User, or School. We may use such data to operate, analyze, improve or market our Services. If we share or publicly disclose information (e.g., in marketing materials) that is derived from Student Data, that data will be aggregated or anonymized to reasonably avoid identification of a specific School or individual student. For example, we may (i) track the number of School administrators on an anonymized aggregate basis as part of our marketing efforts to publicize the total number of Users of the Services, and (ii) analyze aggregated usage patterns for product development efforts. You further agree that we may use, store, transmit, distribute, modify, copy, display, sublicense, and create derivative works of the anonymized, aggregated Student Data even after this Agreement has expired or been terminated.

Section 4. DELETING STUDENT DATA AND TERMINATING YOUR ACCESS TO THE SERVICES

A. DELETING STUDENT DATA

You may request in writing that we delete any of your Student Data (except as provided for the Section 3(B) above) in our possession at any time. We will comply with your request in a commercially reasonable time not to exceed ten (10) business days. If you grant access to Student Data to a Developer and subsequently need that data deleted, you need to request such deletion directly from that Developer.

B. TERMINATING YOUR ACCESS TO THE SERVICES

Schools may, at any time and for any or no reason, terminate these Additional Terms and our General Terms of Use by providing written notice to support@clever.com, except that provisions that by their nature should survive termination will survive termination, such as provisions relating to warranty disclaimers, limitations of liability, indemnities, and governing law.

Within seventy-two (72) hours of our receipt of such notice of termination or earlier if commercially reasonable to do so, we will cease accessing your SIS. We will automatically delete or de-identify all Student Data within seventy-two (72) hours of our receipt of the termination notice, except for Student Data residing on backups or internal logs which will be removed within sixty (60) days, and will provide notice to the School when Student Data has been deleted and/or anonymized as described in Section 3(B) above. As noted above, Student Data that has previously been made available to Developers may still be in Developers' possession notwithstanding the School's termination of these Additional Terms and our General Terms of Use, and the Developer's subsequent use or deletion will be governed by any agreements between School and Developers. We may terminate these Additional Terms and our General Terms of Use in accordance with the General Terms of Use.

Section 5. PRIVACY AND SECURITY

We care deeply about the privacy and security of Student Data. We maintain strict administrative, technical, and physical safeguards to protect Student Data stored in our servers, which are located in the United States. We limit access to Student Data only to those employees or service providers who have a legitimate need to access such data in the performance of their duties, and we provide employee training on privacy and data security laws and best practices. If there is any disclosure or access to any personally identifiable Student Data by an unauthorized party, we will promptly notify any affected Schools and will use reasonable efforts to cooperate with their investigations of the incident. If the incident triggers any third party notice requirements under applicable laws, you agree that, as the owner of the Student Data, you may be responsible for the timing, content, cost, and method of any required notice and compliance with those laws. However, at the request of the School and when permissible under applicable law, Clever agrees to bear responsibility for the timing, content and method of such required notice on behalf of the Schools. In all instances, Clever will indemnify Schools for all reasonable costs associated with compliance with such notice requirements arising from a breach of the Clever Service. For clarity and without limitation, Clever will not indemnify for any notification costs arising from a breach of a third party application whose service is accessed through the Clever Service.

Section 6. QUESTIONS

We here at Clever hope that you will have the best possible experience when using our Services. If you have any questions or concerns about our Services or anything in our General Terms of Use, these Additional Terms, or our Privacy Policy, please don't hesitate to contact us at support@clever.com and we'll do our best to promptly respond to you.

Thanks for reading!

Clever's Commitment to Your Privacy

Clever ("Clever," "we," or "us") understands that privacy is tremendously important to our online visitors to our website ("Website Visitors"), to schools who register for our Service ("Schools"), and to students whose information we may access on behalf of a School ("Students").

7. How to Contact Us
8. Changes to Our Privacy Policy

We strive to be transparent in our data collection and use practices. This is the type of personal information we may collect.

1. HOW WE COLLECT AND USE INFORMATION

We collect the following types of information:

Information about Schools: We ask for certain information when a School administrator registers a School with Clever, or if the administrator corresponds with us online, including a name, school name, school district, school email address and/or account name and password, phone number, message content, and information relating to the School's information systems. We may also retain information provided by a School if the School sends us a message, posts content to our website or through our Service, or responds to emails or surveys. Once a School begins using the Clever Service, we will keep records of activities related to the Service. We use this information to operate, maintain, and provide to the features and functionality of the Service, to analyze our Service offerings and functionality, and to communicate with our Schools and website visitors.

Student Data: Clever may have access to personally identifiable information about students ("Student Data") in the course of providing its services to a School. We consider Student Data to be confidential and do not use such data for any purpose other than to provide the services on the School's behalf. In many instances, Clever receives Student Data only from the School and never interacts with the Student directly. In some instances, depending on the level of Clever's Service selected by the School, the Schools may allow Students to log into the Clever Service to access third party applications that have been authorized by the School. In that instance, the School provides each student with login credentials and confirms that it has obtained appropriate parental consents, as needed, before the student is permitted to access the Service. Clever has access to Student Data only as requested by the School and only for the purposes of performing Services on the School's behalf. If you are a Student or parent, please contact your School if you have questions about the School's use of technology service providers like Clever. If a Student contacts Clever with a question about our Service, we will collect personal information from that Student only as necessary to respond to the Student's request and direct the Student to contact the Student's School, and we will then delete or anonymize the personal data of the Student after providing our response.

See "How We Share Your Information" below for more information on the limited ways in which we share School and Student Data. See "Children's Privacy" below for more information on how we collect and use the personal information of children under 13.

Information collected through technology: We automatically collect certain types of usage information when visitors view our website or use our service. We may send one or more cookies — a small text file containing a string of alphanumeric characters — to your computer that uniquely identifies your browser and lets Clever help you log in faster and enhance your navigation through the site. A cookie may also convey information to us about how you use the Service (e.g., the pages you view, the links you click and other actions you take on the Service), and allow us to track your usage of the Service over time. We may collect log file information from your browser or mobile device each time you access the Service. Log file information may include anonymous information such as your web request, Internet Protocol ("IP") address, browser type, information about your mobile device, number of clicks and how you interact with links on the Service, pages viewed, and other such information. We may employ clear gifs (also known as web beacons) which are used to

anonymously track the online usage patterns of our Users. In addition, we may also use clear gifs in HTML-based emails sent to our Schools to track which emails are opened and which links are clicked by recipients. The information allows for more accurate reporting and improvement of the Service. We may also collect analytics data, or use third-party analytics tools, to help us measure traffic and usage trends for the Service. We do not allow third party advertising networks to collect information about the users of our Site or Service.

We use or may use the data collected through cookies, log files, device identifiers, and clear gifs information to: (a) remember information so that a user will not have to re-enter it during subsequent visits; (b) provide custom, personalized content and information; (c) to provide and monitor the effectiveness of our Service; (d) monitor aggregate metrics such as total number of visitors, traffic, and usage on our website and our Service; (e) diagnose or fix technology problems; and (f) help users efficiently access information after signing in.

Student privacy is very important to us. Student Data is used only for educational purposes at the discretion of the School.

Clever only shares personal information in a few limited circumstances, described below. We do not rent or sell information for marketing purposes.

Who we may share information with:

- We may share information with those that provide us with technology services (e.g. web hosting and analytics services), but strictly for the purpose of carrying out their work for us.
- We may be required to share information with law enforcement or other third parties when compelled to do so by court order or other legal process, to comply with statutes or regulations, to enforce our Terms of Use, or if we believe in good faith that the disclosure is necessary to protect the rights, property or personal safety of our users.

In the event of a change of control: If we sell, divest or transfer our business, we will not transfer personal information of our customers unless the new owner intends to maintain and provide the Service as a going concern, and provided that the new owner has agreed to data privacy standards no less stringent than our own. In such case we will provide you with notice and an opportunity to opt-out of the transfer of personally identifiable Student Data.

How Student Data is shared: In addition to the actions described above, Clever may facilitate the sharing of Student Data with third parties, though only when instructed and authorized to do so on behalf of the School. Some elements of our Service enable Schools to interact with parents, students, teachers and third party applications, for the benefit of the student's education. Clever does not facilitate the sharing of any Student Data with third parties on the Service except on behalf of the School after the School has authorized a third party or application to access Student Data through the Service. Please remember that this Privacy Policy applies to the Clever Services, and not other services or third party applications, which may have their own privacy policies. Schools should carefully read the privacy practices of each third party application before agreeing to engage with the application through the Service.

We store our data in the United States and we take strong measures to keep data safe and secure.

3. HOW WE STORE AND PROTECT YOUR INFORMATION

Storage and processing: Any information collected through the Service is stored and processed in the United States. If you use our Service outside of the United States, you consent to have your data transferred to the United States.

Keeping information safe: Clever maintains strict administrative, technical and physical procedures to protect information stored in our servers, which are located in the United States. Access to information is limited (through user/password credentials and two factor authentication) to those employees who require it to perform their job functions. We use industry-standard Secure Socket Layer (SSL) encryption technology to safeguard the account registration process and sign-up information. Other security safeguards include but are not limited to data encryption, firewalls, and physical access controls to building and files.

Questions about data? Here are your options.
