

# A-G Requirements

## CALIFORNIA DIVISION

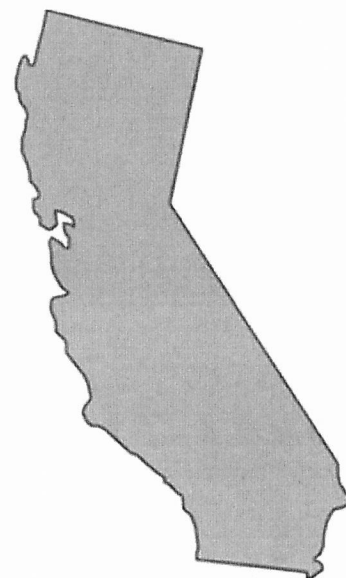

### Great News for Secondary Sites in California!

The AVID Elective now gets the G credit for California's A-G requirements. This is for all grade levels: 9th, 10th, 11th, and 12th!

For AVID Elective classes in California that follow Weeks at a Glance, students can receive 4 years of G credit in the UC/CSU system.

For more information on the UC/CSU approved course list click [here](#).

Click [here](#) for course descriptions for 9th, 10th, 11th, and 12th grades.

It's not too late...

If your school site did not add the new grade levels in this year's school catalog, you can apply in February to add it to the 2017-2018 school year. More information to follow regarding how to retroactively add these course levels to the 2016-2017 school year.
