

English Language Arts and English Language Development Adoption

March 2017

The Process of Pilot → Adoption

2016 -17

Determine Program Review Tasks and Make a Decision

Prepare for decision making process (Pilot)

Compile and review evidence

Discuss and cite evidence

Work toward consensus

Evaluation and Process

The Standards:

- Value: Readiness for College, Career, and Civic life, broad definition of literacy, 21st Century Skills, and the Capacities of Literate Individuals
- Ask that curriculum is: motivating, intellectually challenging, engaging, respectful, and integrated
- Balance: Meaning Making, Effective Expression, Foundational Skills, Content Knowledge, and Language Development
- Embed English Language Development and Literacy to include Reading, Writing, Speaking, Listening, and Language in all disciplines with all students.

Staff Recommendation

Kindergarten through 6th Grade, 7th and 8th Grade

ENGLISH

ELA/ELD

Children's Center

TeachingStrategies®

The Creative
Curriculum®
System

- Covers all areas of California learning foundations
- Aligns to DRDP assessments (Desired Results Developmental Profile)
- Heavy focus on early literacy
- Teacher and student friendly
- Focus on social and emotional lessons
