## **FREQUENTLY ASKED QUESTIONS**

### **BOARD RESOLUTIONS/SIGNATURE AUTHORITY**

#### **Do I need to provide a resolution and signature authority for an original contract?**

##### **Public Agency**

Yes, you need a resolution authorizing the contract. You also need to provide signature authority for the person signing the contract, if someone other than the Superintendent signs. See the sample resolution provided on the previous page.

##### **Private Agency**

The CDE does not require a resolution from a private agency. However, if an employee who is not the Executive Director, Owner, or President, etc. has signed the contract, signature authority is required. This can be provided by a resolution or letter on letterhead from the Executive Officer.

#### **Do I need a resolution for an amendment?**

If the resolution for the original contract specified the contract amount, a resolution containing the amended contract amount is required.

In addition, signature authority will be required if the person signing the amendment was not included as an authorized signer on the original resolution.

#### **I work for a County Superintendent of Schools. Does my contract need a resolution?**

Because County Superintendents have the authority to enter into contracts without board approval, a resolution is not required *IF* the County Superintendent signs the contract.

If someone other than the County Superintendent signs the contract, signature authority is required. This can be provided by a resolution or letter on letterhead signed by the County Superintendent.

### **CONTRACT COPIES**

#### **Can we e-mail copies of the signed contract?**

No. CDE can only accept contracts that contain original signatures, signed in blue ink.

## **FEDERAL ID NUMBER**

### **What is my Federal ID number?**

An Employer Identification Number (EIN) is also known as a Federal Tax Identification Number, and is used to identify a business entity. Use this number to fill in the CCC-04/2017 and the CO-005 forms.

## **PRINTING ERRORS**

### **What is a misprint?**

A misprint occurs when the contract is printed illegibly, double-sided, or a change has been made to the formatting. Common examples are:

- The text on the left margin of the contract has been cut off. Fix problem here:  
<http://helpx.adobe.com/acrobat/kb/scale-or-resize-printed-pages.html>
- Toner issues cause the print to be illegible.
- The contract has been printed double-sided.
- Space has been added or deleted.

If this occurs, and the contract is sent to CDE, you will receive an e-mail asking you to re-print, re-sign and return a correctly printed contract. Contracts that have been altered in any way are unacceptable.
