Tour this privately owned wildlife refuge in a comfortable, covered boat, walking room, and open viewing from any seat. Swamp creatures are unafraid and responsive to our captain's voice. In the safety and comfort of the boat, you will be able to get within a few feet of our "jumping gators". Other animals to be on the lookout for include nutria, ibis, turtles, herons, raccoons, egrets, and more. Remember, alligators do hibernate in cold weather.

You can exceed your count with advance notification, if space and additional services are available. Group agrees to pay for any additional people over and above the final headcount.
