ADDENDUM A TO SPECIAL SERVICES AGREEMENT

As a client of School Services of California, Inc., you have the option of purchasing either or both of our **CADIE** and **SABRE** reports at the client rate. The following information describes the **CADIE** and **SABRE** reports, and the form at the bottom of the page to order the reports.

The **Comparative Analysis of District Income and Expenditures (CADIE)** is a comprehensive computer-generated report comparing your district's revenues and expenditures to those of 40 other districts (two reports with 20 districts in each) of your choice throughout the state. Well over 300 comparisons are made using SACS, CBEDS and CalPads data.

The **CADIE** includes comparative graphic data expenditures by ADA, tabular information showing per ADA and percentage distribution of district revenues and expenditures, staffing levels, and tables that show—on an ADA and percentage basis—how your district spent its dollars for the prior three years. The report is comprehensive, yet easy to use.

The **Salary And Benefits Report (SABRE)** is generated from the CDE's Certificated Teachers Salary and Benefit data (Form J-90) and provides up to 38 side-by-side comparisons of your district with those of 40 other districts (two reports with 20 districts in each) of your choice on certificated salaries, health and welfare benefits, and work days.

The **SABRE** includes ten graphical displays and 27 comparison tables with side-by-side analysis for certificated non-management. It also includes the actual salary and benefit schedules and other selected data important for compensation evaluation in an easy-to-read format.

The analytical uses of the **CADIE** and **SABRE** reports are unlimited. If these products are needed for negotiations, they may be fully reimbursable as part of your mandated cost claim if you have chosen to file mandate claims for this year.
