## Board Policy

### Transitional Kindergarten

BP 6170.1

#### Instruction

The Governing Board of Education desires to offer a high-quality transitional kindergarten (TK) program for eligible children who do not yet meet the minimum age criterion for kindergarten.

The TK program shall assist students~~children~~ in developing the academic, social, and emotional skills they need to succeed in kindergarten and beyond.

The district's ~~transitional kindergarten~~TK program shall be the first year of a two-year kindergarten program. (Education Code 48000)

The Board encourages ongoing collaboration among district preschool staff, other preschool providers, elementary teachers, administrators, and parents/guardians in ~~program~~ development, implementation, and evaluation of the district's TK program.

~~-(cf. 0420—School Plans/Site Councils)~~

(cf. 1220 - Citizen Advisory Committees)

(cf. 6020 - Parent Involvement)

#### Eligibility

~~Pursuant to Education Code 48200, each person between the ages of 6 and 18 years is subject to compulsory full-time education, unless otherwise exempted by law. Thus, parents/guardians are not required to enroll children in transitional kindergarten or kindergarten but, if they do so, are subject to the age criteria specified below.~~

~~A district could choose to accelerate implementation of the program prior to the dates specified in law, thus allowing all children whose fifth birthday will be between September 1 and December 2 to enroll in transitional kindergarten prior to 2014-15 at a date determined by the Board of Education. However, according to the California Department of Education (CDE), if a parent/guardian requests that his/her kindergarten-eligible child be admitted to kindergarten instead of transitional kindergarten, the district would need to honor that request because of the phase-in stipulated in law. Furthermore, whenever kindergarten-eligible children are enrolled in transitional kindergarten, the district must obtain a continuance form signed by the parent/guardian consenting to the child's enrollment in kindergarten the following year. The continuance form is necessary in order to receive kindergarten apportionments for those children since they would otherwise be age-eligible for first grade. CDE recommends that approval for a student to continue in kindergarten not be given until near the end of the year of transitional kindergarten, since permission obtained unreasonably far in advance could be found invalid.~~

~~The district's transitional kindergarten program shall admit children whose fifth birthday lies~~

~~between: (Education Code 48000)~~

- ~~1. November 2 and December 2 in the 2012-13 school year~~
- ~~2. October 2 and December 2 in the 2013-14 school year~~
- ~~3. September 2 and December 2 in the 2014-15 school year and each school year thereafter~~

~~Beginning in the 2012-13 school year, the district shall offer transitional kindergarten for children born between September 2 and December 2.~~

~~Parents/guardians of eligible children shall be notified of the availability of this program and the age, residency, and any other enrollment requirements. Enrollment in the transitional kindergarten program shall be voluntary.~~

The district's TK program shall admit children whose fifth birthday is from September 2 through December 2. (Education Code 48000)

Parents/guardians of eligible children shall be notified of the availability of the TK program and the age, residency, immunization, and any other enrollment requirements. Enrollment in the TK program shall be voluntary.

(cf. 5111 - Admission)

(cf. 5111.1 - District Residency)

~~(cf. 5111.12 - Residency Based on Parent/Guardian Employment)~~

~~(cf. 5111.13 - Residency for Homeless Children)~~

(cf. 5141.22 - Infectious Diseases)

(cf. 5141.3 - Health Examinations)

(cf. 5141.31 - Immunizations)

(cf. 5141.32 - Health Screening for School Entry)

~~On a case-by-case basis, Education Code 48000 authorizes early entrance into kindergarten for children who reach age 5 later than the date specified below, provided the parent/guardian approves, the district determines it is in the child's best interests, and the district has provided the parent/guardian with information on the advantages and disadvantages of early admittance; see AR 5111 - Admission.~~

Upon request of a child's parents/guardians, the district may, on a case-by-case basis after the Superintendent or designee determines that it is in the child's best interest, admit into the district's TK program a child whose fifth birthday is on or before September 1 and who is therefore eligible for kindergarten.

~~A~~The district may, at any time during the school year, ~~the district may~~ admit into the TK program a child whose fifth birthday is after December 2 of that same school year, provided that the Superintendent or designee recommends that enrollment in a TK program is in the child's best interest and the child's parents/guardians approve. Prior to such enrollment, the child's

parents/guardians shall be provided information regarding the advantages and disadvantages and any other explanatory information about the effect of early admittance. (Education Code 48000)

### Promotion/Acceleration

Upon request of a child's parents/guardians, the district may, on a case-by-case basis, promote a student from TK to a kindergarten program during the school year, upon determination that it is in the best interests of the child and the child is ready for kindergarten work subject to the following minimum criteria:

(Education Code 37202, 46111, 46117, 48003)~~  
~~, which shall be at least three hours but no more than four hours.~~

(cf. 6111 - School Calendar)  
(cf. 6112 - School Day)

~~The district shall endeavor to maintain separate classes for transitional kindergarten and kindergarten. TK~~~~transitional kindergarten~~ students may be placed in the same classrooms as kindergarten students when necessary, provided that the instructional program is differentiated to meet student needs.

#### Staffing

~~The Superintendent or designee shall ensure that T~~teachers assigned to teach in ~~transitional kindergarten TK~~ classes ~~shall~~ possess a teaching credential or permit ~~from the Commission on Teacher Credentialing (CTC)~~ that authorizes ~~such~~ instruction ~~at the kindergarten grade level~~.
