

CONTRACT NAME: AGREEMENT BETWEEN GAGGLE.NET, INC. AND DAVIS JOINT UNIFIED SCHOOL DISTRICT

BRIEF DESCRIPTION OF CONTRACT: The agreement provides an email service which will be used by Davis Senior High School students, with a parent's permission, to allow students to become pen pals with Intel employees. Intel employees who volunteer for this program go through a special screening process. This is a community partnership since all of the Intel employees involved are either former Davis High students, UCD students and/or residents of Davis.

Through correspondence with Intel employees, students improve their reading, writing, communication and computer skills. Davis High staff has access to the email accounts and regularly monitors email communications between students and Intel employees.

The DSHS benefits through the Intel Volunteer Matching Grant Program which donates money for each hour spent by employees who volunteer their time as pen pals to students. Intel and DSHS have partnered on this program for nine years.

FISCAL IMPACT: The cost of this program is included in the site's approved budget.
